Thanks also to our City of Irving partners – Solid Waste Services, Parks, Code Enforcement, Water Utilities, HR, HHS, ICTN and Mayor Beth Van Duyn for officially proclaiming September 24 as **Trash Bash Day** in Irving. The event was made even better by the presence of special guests Jon Halsey with his fossil and artifact displays, Barry Allen with the reptiles, and North Lake nursing students who provided blood pressure screenings. The sponsors whose logos are displayed above contributed to making this Trash Bash the best ever, including Frito-Lay who donated chips for the lunch, Verizon, who provided goodie bags for the volunteers, and Vizient who donated insulated travel mugs to those who got their blood pressure checked. And a huge thank you to **TxDOT** for making this a **Trash and Treasures** event in honor of the 30th anniversary of **Don't Mess with Texas**, and awarding awesome prizes to some lucky volunteers! It was a great way to celebrate our 25th annual Trash Bash.
