The **419** of you gave **1,257** hours, collected **760** pounds of trash and **1,440** pounds of recyclables, and donated **539** food items to the canned food drive to benefit Crisis Ministries of Irving. Thanks also to our **City of Irving** partners – Solid Waste Services, Parks, Code Enforcement, Water Utilities, HR, HHS, ICTN and Mayor Rick Stopfer for officially proclaiming September 30 as **Trash Bash Day in Irving**. The event was enhanced by the presence of several exhibitors: Jon Halsey with his fossil and artifact displays, Barry Allen with the reptiles, Water Utilities, Nissan, and Parker University interns, who provided posture analyses. The sponsors whose logos are displayed above contributed to making this Trash Bash a success, including Frito-Lay, who donated chips for the lunch, Verizon, who provided goodie bags for the volunteers, Nissan North America and Vizient. It was a great way to celebrate our 26th annual Trash Bash.
