Earthwork and Tree Removal permits are two separate permits. The issuance of a Tree Removal Permit does not grant the right to excavate/grade. The issuance of an Earthwork Permit does not grant the right to remove protected trees.

Earthwork/Grading/Erosion Control Permit

Permit to fill, grade, excavate or otherwise disturb the ground of the real property described above in accordance with Irving City Ordinance No. 7534.

Application procedure:

- The Tree Removal Permit must be completed first.
- **Submit** three (3) sets of grading/erosion control plans.
- Approximate value of earthwork: \$ _____
- TCEQ General Permit No. TXR150000 (March 5, 2008):
 - ◆ Disturbing more than 1 acre and less than 5 acres:
Submit a copy of the Construction Site Notice (CSN.)
Submit a copy of the site's Storm Water Pollution Prevention Plan (SWPPP).
 - ◆ Disturbing five (5) acres of land or more, or for work which is part of a development plan that taken together disturbs five (5) acres or more:
Submit a copy of the signed Notice of Intent (NOI)* as submitted to TCEQ. (*Mandatory seven-day waiting period after the date of the NOI before beginning work.)
Submit a copy of the SWPPP.
- A CLOMR from FEMA may be required to fill floodplain.
- A Corridor Development Certificate (CDC) from USACOE Ft. Worth District may be required to fill Trinity floodplain.
- The Applicant certifies that he/she has Owner's permission to work on the property and acknowledges on behalf of Owner the responsibilities described in Section 41-1, Chapter 41 of the City of Irving Municipal Code.

The Applicant acknowledges plan revisions and/or additional erosion protection can be directed in the field, if necessary. Applications for building permits must be submitted and approved before any other type of work can begin.

The Applicant will not be released from responsibility under this permit until all areas are revegetated and all temporary erosion control devices are no longer required and removed.
