

KEEP IRVING BEAUTIFUL COMMERCIAL DUMPSTER GRADE SHEET 1

This grading sheet is designed to help local commercial dumpster users maximize profits. Clean, properly secured, and thoughtfully loaded dumpsters, along with an aggressive recycling program, can improve business appearance, safety, cash flow, and profits.

This form is intended for use with Keep Irving Beautiful's "Green Business" brochure. Anyone who cares to do so, can use this simple form to help thank businesses that are doing a good job and encourage businesses that could do better.

Grader: Please give your completed form, in person, to a person in management at the store or stores that use the dumpster you graded. The person-to-person method virtually always works the best. Thank **you** for taking the time to help Keep Irving Beautiful!

One hint: Please use #3 sparingly. You may be undecided, but #3 assures that your dumpster user will be unsure where he or she stands if you use too many #3's.
