

Irving Police Department Racial Profiling Information for 2008

Texas Code of Criminal Procedure, Article 2.132, requires every police agency making traffic stops leading to a citation or arrest to report information on the race of individuals detained and whether they were searched. The information below was compiled by the Irving Police Department to meet this requirement for stops between January 1 and December 31, 2008.

I. Traffic Stops Leading to Citations or Arrests

Caucasian	8,788	36.90%
Hispanic	8,778	36.86%
African American	5,037	21.15%
Asian	1,191	5.00%
American Indian	23	0.10%
<hr/>		
Total	23,817
