**Addendum 1**  
**Highway Bridge Painting**  
**ITB Number 250M-09F**

This addendum is issued to make the following revisions to this bid and is hereby incorporated and made a part of Bid Number 250M-09F

The opening date and time remains the same at **3:00 p.m. on September 23, 2009.**

**Marsha Hughes**  
Purchasing Agent

## **Addendum 1**

- 1) A bid bond in an amount not less than five percent (5%) of the bid amount is required to bid on this project and must be submitted in accordance with the attached instructions.
- 2) Under Scope of Work, other effective surface cleaning methods in addition to Power washing will be considered.
- 3) As clarification to Page 8, Item 11, the successful Bidder has fifteen (15) calendar days after award of the contract by City Council to have all pertinent documentation completed and submitted to the City.
- 4) The maximum height from the ground surface, pavement surface, or railroad track surface to the bottom of beam for the S.H. 356 bridge, Location #1, is 22'-10".
- 5) Under Scope of Work, no cost for railroad flagger protection is to be included in the bid proposal. The City of Irving shall arrange for and cover the cost of railroad flagger protection as required by the TRE Railway. Contractor must give not less than five (5) normal business days' notice to the city in writing prior to the need for railroad flagger protection. However, the cost of flaggers for general vehicular traffic control is the responsibility of the contractor and shall be included in the bid proposal.
- 6) Under Scope of Work, all water and liquid runoff, residue and debris generated by power washing operations shall be collected and disposed of in accordance with state and local regulations. Under no circumstance shall such items be allowed to enter the storm water system. Please contact Jeff Shiflet in Water Utilities at 972-721-3682 for additional information.

**BID BOND for CONSTRUCTION**  
**Attachment G-1** (rev. 12/31/08)

An acceptable bid bond, certified check or cashier's check (bid security) payable without recourse to the order of the City of Irving, Texas, in an amount not less than **five** percent of the amount of the bid must accompany each bid as a guarantee that, if awarded the contract, the bidder will enter into a contract within ten (10) days of the presentation of such contract to the bidder by the City. The bid bond must be on a form acceptable to City and the bonding company supplying the bid bond must be authorized to do business in the State of Texas.

The bid security submitted with each bid shall be considered as the amount of the liquidated damages which the City of Irving will sustain by the failure, neglect or refusal of the bidder to execute and deliver the agreement should the contract be awarded him.

If the bidder defaults in executing the agreement within ten (10) days after presentation of the contract to him, the bid security shall become the property of the City of Irving.

Bidder warrants that the bid he submits has been checked for mathematical correctness and same is correct. Bidder agrees that should he desire to withdraw his bid after bid opening because of a mathematical mistake that the City of Irving may retain the bid security as liquidated damages and not as penalty, and the bidder hereby waives any legal defense available to bidder for such mistake. (i.e. unilateral mistake).

The bid bond shall be retained by the City of Irving as liquidated damages in the event the successful bidder, after the award, fails to comply with the terms of this solicitation.
