SPECIFICATIONS

Intent - The intent of this bid is to award a contract for the repair, rebuilding or exchange of all Heavy Truck transmissions that have failed. The City of Irving's fleet includes the very large sanitation and fire truck transmissions (Allison). This contract is primarily for these transmissions.

The bid shall include the removal, reinstallation of transmission and all adjustments necessary to make vehicle serviceable.

Transmission exchange unit price shall utilize existing case and include labor, torque converter, and all internal electrical and hard parts required to repair transmission. Where the existing case is not useable, the case cost listed will also be charged.

Any transmissions not specifically listed and/or for transmissions listed not requiring complete overhaul or exchange, the costs will be based on the flat hourly labor rate stated in the contract and parts cost plus stated in the contract. When billing involves itemized labor charges, awardee must show number of hours times the flat labor hourly rate stated in the contract. When billing involves parts cost plus, awardee must show parts cost and the markup as stated in the contract, as well as send a copy of the parts invoice showing what the awardee paid for the parts.

No transmission is to be exchanged or repaired without a purchase order; failure to obtain a purchase order could result in denial of payment for work completed.

Payment shall not be processed until each repair has been completed and accepted by the Fleet Maintenance Division and a final billing invoice is received.

The City of Irving will deliver and pick up the vehicles if the awardee is within the City Limits of Irving. If awardee is not within the City limits of Irving, awardee must pick-up and deliver vehicles and bid price will include pick-up and delivery. Drivers that pick-up and deliver City of Irving Trucks must have a valid CDL Drivers License. In addition, a copy of insurance, including liability insurance must be on file in the City of Irving Purchasing Division.

Contract Period - This contract begins **August 1, 2009, through July 31, 2010.**

Renewal Option - This contract is subject to consideration for two renewals with each renewal being for a two-year period of time and under the same terms and conditions as awarded or with negotiated lower pricing. Each renewal option may be exercised by the City of Irving with written agreement by contractor.

No Sunday Work - It is agreed and understood that no work will be performed on Sundays.

Price List - A copy of the price list page, indicating vendor cost or suggested list price, must be attached to the invoices showing contract price markup or markdown.

Delivery Requirements – All deliveries (freight Lines) shall be FOB (inside deliveries), City of Irving Fleet Maintenance Division, 128 N. Briery, Irving, TX where required. For parcel post orders, use P. O. Box 152288, Irving, TX 75015-2288.

Packaging – All packages shall bear the shipper's name and purchase order number issued by the City of Irving on the outside of the package.

Repurchase Agreement - Each bidder, in submitting his bid, agrees to repurchase any and all standard inventory parts and supplies which become obsolete due to changes which may occur within the City fleet. This repurchase agreement shall be effective during the entire period of the contract. The City agrees that only parts or supplies that have not been used, tampered with and that are contained in the original containers will be returned under the provision of this clause. This clause is applicable to any item purchased under the contract.

Rejected Parts – Parts that are rejected for failure to meet prescribed minimum specifications shall be returned to the supplier at no cost to the City of Irving.

Basis of Payment - All proposals will be on a time and materials basis. No overtime will be performed without specific written authorization from the Fleet Maintenance Division.

Shop Labor Hourly Rate - Shop labor hourly rate is the same for one person or several persons working on the equipment at the same time. Number of shop labor hours billed shall not exceed number of hours equipment is in contractor's possession. No overtime shall be charged unless an emergency situation arises and prior written approval has been authorized by the City of Irving Fleet Maintenance.

Estimates - The City of Irving reserves the right to secure pricing prior to commencement of work and solicit competitive bidding, if in the opinion of the City, pricing received is determined to be unreasonable compared to industry standards.

Invoicing - The following requirement applies to all invoices when the vehicle or parts are repaired on City property; delivered to the City of Irving; or when the vehicle or parts are picked up by the City of Irving. Invoices for Parts and Repair Service **must reference a purchase order number, be signed by a City of Irving employee, and have attached a copy of the estimate(s) that were signed by a Fleet Maintenance employee authorizing the charges.** All invoices **must be self-explanatory** as to the charges for repairs and/or parts. If the charge is for a specific item or job listed in the awarded bid and the price agrees with that amount, the total amount is all that is required on the invoice. However, all other invoices **must be broken out by itemizing hours times hourly labor rate with total labor dollars charged, and actual parts cost or list price with mark-up or mark-down with total parts cost, and grand total of parts and labor amount charged.** If billing requires parts markup or markdown, then a copy of the parts price list page indicating suggested list must be attached to the invoice. If repairs or outside services were sublet, a copy of the sublet's invoice must be attached to the invoice showing your contracted markup. Having the invoice ready when parts or vehicles are delivered, or picked up, will avoid confusion and expedite your payment. In summary, the invoice should include:

- 1) PO number
- 2) Invoice number
- 3) Total Hours Charged
- 4) Contracted Hourly Labor Rate or Contract Price
- 5) A copy of the page from the Labor Guide Manual/Standard used to determine labor rates upon request by the city.
- 6) Parts list minus discount must be shown on the invoice, or attached to the invoice, indicating the contracted markdown for billable parts. A copy of the parts list price page also be attached to the invoice. If repairs or outside services were sublet, a copy of the sublet's invoice must be attached to the invoice showing your contracted markup.

Issuance of Purchase Orders - Whenever a vehicle is sent to the contractor for repair, the contractor will receive a purchase order number requesting an estimate. Contractor is to make a written "cost-free" estimate of repair and fax estimate to the requester in Fleet Maintenance at **972.721.2287**. Fleet Maintenance may give approval for repair or deny the request. If Fleet Maintenance gives the contractor approval for repair, the Fleet Maintenance personnel must sign the written estimate and return the signed written estimate to the contractor authorizing the contractor to make repairs up to the amount of estimate.

If repairs exceed the estimate, contractor must estimate and itemize the additional charges in writing and fax the revised estimate or new estimate of additional charges to Fleet Maintenance to get approval for any additional repairs following the same procedure as above. Approval must be received in writing from Fleet Maintenance prior to incurring any expense over the estimate even though the contractor has been awarded a 12-month contract. Only personnel from Fleet Maintenance are authorized to give approval for repair work on any vehicle, or to authorize additional repairs over the estimated amount.

Failure to follow this procedure could result in a delay in getting invoices paid and could result in denial of additional charges over the estimate.

Performance Time - The awardee shall make every reasonable effort to expeditiously repair all vehicles. Contractor will be required to give estimated completion date on all work.

No Additional Charges Allowed - No charges, such as miscellaneous shop charges, environmental charges, fees, etc. will be paid by the City of Irving if not listed in your bid response. However, charges imposed by the State of Texas or Federal Government after the bid award will be honored. Any additional charges listed in your bid response will be taken in consideration as part of the award evaluation.

For parts discounts, If no discount is intended, write the word "None" in the space provided for discount. Bidder shall accept all genuine original equipment manufacturer's (OEM) parts returned to him as long as they have not yet been installed and packing has not been damaged or destroyed.

STANDARD TERMS AND CONDITIONS

Attachment A-1 (rev. 12/31/08)

1. Application

These standard terms and conditions shall apply to all City of Irving (hereafter "City") solicitations and procurements, unless specifically excepted in the solicitation specifications.

2. Requirements

By submitting a bid or proposal, the respondent agrees to provide the City of Irving with the specified goods or services described in the solicitation in accordance with these standard terms and conditions, at the agreed upon bid price and in compliance with the stated specifications and any subsequent addendums issued prior to the date of the bid opening.

3. Legal Compliance

Bidder or proposer must comply with all Federal, State and Local laws, statutes, ordinances, regulations and standards in effect at the time of delivery of goods and services, and must maintain any and all required licenses and certificates required under the same laws, statutes, ordinances, regulations and standards for services and/or goods provided in response to this solicitation.

4. Estimated Quantities

If the solicitation calls for unit pricing on specific items, the quantities described for each item are estimates only and not guaranteed amounts. The actual amount ordered over the contract period may be more or less than the estimate. Quantities represent the City's best estimate, based on past history and anticipated purchases.

5. Modifications and Addendums

The City shall have the right to modify any of the solicitation documents prior to submission deadline and will endeavor to notify potential bidders, but failure to notify shall impose no liability or obligation on the City. All modifications and addendums must be in written form prepared by the City department issuing the solicitation. Bidders are responsible for incorporating any and all modifications and addendums into their bid responses.

6. Interpretation of Solicitation Documents

The City is the final judge of the meaning of any word(s) sentences, paragraphs or other parts of the solicitation documents. Bidders are encouraged to seek clarification, before submitting a bid, of any portion of the bid documents that appears to be ambiguous, unclear, inconsistent, or otherwise in error. Clarifications will be in writing.

7. Late Bids

Bids must be received in the Purchasing Office by the time specified in the solicitation. The City will not accept late bids and is not responsible for the lateness or non-delivery of bids by the Postal Service or any private delivery firm. The time/date stamp in the Purchasing Office shall be the official time of receipt.

8. Conditional Bids

The City will not accept conditional bids which qualify the bidder's response in any way.

9. Minor Irregularities

The City reserves the right to waive any minor irregularities that do not materially affect the scope or pricing of submitted bids.

10. Responsiveness of Bids

The City wants to receive competitive bids, but will declare "non-responsive" bids that fail to meet significant requirements outlined in the solicitation documents.

11. Discrepancies and Errors

In the case of a discrepancy between the unit price and the extended total for a bid item, the unit price will prevail. The unit prices of bids that have been opened may not be changed for the purpose of correcting an error in the bid price.

12. Identical Bids

In the event two or more identical bids are received, and are lowest, responsible and responsive, award will be made as prescribed in the Texas Local Government Code, Chapter 271.901.

13. Reciprocal Local Preference

Some states provide a preference for vendors within their borders and add percentages to bids received from outside states. Where this happens, the state of Texas responds in like manner by applying the same percentage to bids received from vendors who are not from Texas. This applies to the purchase of materials, supplies, equipment and services.

14. Withdrawal of Bids

Bidders may withdraw any submitted bids prior to the bid submission deadline. Bidders may not withdraw once the bids have been publicly opened, without the approval of the City's purchasing manager. Bidders will be allowed to withdraw bids that contain substantial mathematical errors in extension

15. Disqualification of Bidder

The City may disqualify bidders, and their bids not be considered, for any of the following reasons: Collusion among bidders; Bidder's default on an existing or previous contract with the City, including failure to deliver goods and/or services of the quality and price bid; Bidder's lack of financial stability; any factor concerning the bidder's inability to provide the quantity, quality, and timeliness of services or goods specified in the solicitation; bidder involved in a current or pending lawsuit with City; bidder's attempt to influence the outcome of the solicitation through unauthorized contact with City officials outside of those listed in the solicitation documents; and bidder's attempt to offer gifts, gratuities, or bribes to any City employee or elected official in connection with a solicitation.

16. Cost of Bid

The cost of submitting bids shall be borne by the bidders, and the City will not be liable for any costs incurred by a bidder responding to this solicitation.

17. Inclusive Pricing

Bid pricing is to include all expenses, fees and charges related to the delivery of the specified goods or services. The City will not pay any additional charges other than the bid price unless requested by the City on the bid response sheet.

18. Firm Prices

Unless otherwise stated in the specifications, bidder's prices remain firm for 120 days from date of bid opening and, upon award, remain in effect for the contract period specified in the solicitation. If formal award has not occurred within 120 days of bid opening, the vendor and the City may mutually agree to extend the firm price period.

19. Delivery Terms

Unless otherwise stated in the specifications, all goods delivered through this solicitation shall be FOB City of Irving specified delivery address or site.

20. Transportation Charges

Bidder shall be responsible for all charges which relate to the delivery of goods to the City's specified receiving point, and for shipping or transportation charges for returning to bidder any goods rejected as non-conforming to the specifications.

21. Delivery and Acceptance

The City will receive only those goods as authorized by City purchase order. Bidder must obtain City employee signature upon delivery. Bidder warrants that all deliveries relating to this solicitation be of the type and quality specified by the City. The City may refuse or reject any delivery failing to meet specifications and shall not be held to have accepted any delivery until after it has made an inspection of same. The City is the final judge as to acceptability of goods under this solicitation.

22. Failure to Deliver

If a bidder is unable to deliver the quantity or quality of specified goods, or is unable to deliver goods within a time period when included in the specifications, the City shall be authorized to purchase from any other available source, consistent with State of Texas procurement statutes.

23. MSDS

Bidders must submit Material Safety Data Sheets for any hazardous chemical quoted or supplied under this solicitation.

24. Taxpayer Identification

Bidders must provide the City with a current W-9 "Request for Taxpayer Identification and Certification" before goods or services can be procured from the bidder.

25. Taxes

The City is exempt from all federal excise taxes and all state and local sales and use taxes. If such taxes are listed on a bidder's invoice, they will not be paid. Additionally, bidders cannot use the City's tax exemption status to purchase goods or services related to this solicitation.

26. Payment

Payment will be made after receipt of all invoiced goods. Bidder will be paid within thirty days of date invoice is received or date goods are received, which is later. Additional discount may be taken by the City based on the Summary Response Page. The discount date begins with the date the invoice is received or the date all items covered by the invoice is received, whichever is later. Bidder is entitled to interest, at a rate stipulated by state law, if payment is not made within thirty days.

27. Outstanding Liabilities

Bidders shall not have outstanding, unpaid liabilities owed to the City. Liabilities may include, but are not limited to, property taxes, hotel occupancy taxes, license or permit fees, and water bills. Bids will be considered non-responsible and not given further consideration if submitted by a bidder with such outstanding liabilities.

28. Offset

The City may, at its option, offset any amounts due and payable under a contract award under this solicitation against any debt lawfully due the City from a vendor, whether or not the amount due arises pursuant to the terms of the contract and whether or not the debt has been reduced to judgment by a court.

29. Independent Contractors

It is expressly agreed and understood by both parties that the City is contracting with the successful bidder as an independent contractor. The City shall not be liable for any claims which may be asserted by any third party occurring in connection with services performed by the successful bidder, and the successful bidder has no authority to bind the City.

30. New Products

The City will accept only new products, such products having not been used or owned by any entity, company or individual except the manufacturer and the manufacturer's distributors. Used or reconditioned products will not be accepted unless specifically requested in the accompanying solicitation.

31. Warranties

Bidder warrants that any and all goods delivered are newly manufactured, free from defects in materials and workmanship, and conform in every respect to the City's specifications. Goods are warranted for one year from date of acceptance by the City, following delivery and inspection. If at any time during the twelve months following acceptance of the goods, said goods fail to perform their intended purpose or are discovered to be defective or nonconforming to the City's specifications, the bidder will replace the goods at no cost to the City, including any delivery or installation costs. This warranty shall be unconditional, except it shall not apply to damage caused by clear abuse or misuse by the City. If a manufacturer of goods or of component parts of goods provides a warranty longer than the period provided for herein, the provisions of this warranty shall not be construed to diminish or conflict with the manufacturer's warranty.

32. Governing Law

All bids submitted in response to this solicitation and any resulting contract shall be governed by, and construed in accordance with, the charter and ordinances of the City of Irving, and the laws and court decisions of the State of Texas.

33. Controlling Document

In the case of a discrepancy between this solicitation and the formal contract, the formal contract will prevail and control.

34. Assignment

Bidder shall not assign, transfer, or pledge a contract awarded under this solicitation, in whole or in part, with the prior written consent of the City's purchasing manager. Assignment of this contract, if approved by the City, shall not relieve the bidder's obligations under the contract. Approval by the City of one assignment shall not constitute approval of any future assignment of the contract.

35. Termination

If an awarded bidder fails in any manner to fully perform each and all of the terms, conditions and covenants of a contract awarded by this solicitation, he shall be in default and notice of default shall be given to the bidder by the City's purchasing manager. In the event that the contractor continues in default for a period of seven (7) days after receipt of the above-mentioned notice of default, the City may terminate or cancel the contract. The City may also cancel a contract for convenience and without cause with thirty days notice. In any cancellation of contract, the City will pay the bidder for all goods received and accepted, and for all services provided and accepted up to and including the date of termination.

36. Indemnification

Bidder shall defend, indemnify, and hold harmless the City of Irving, its officers, agents, employees, appointees and volunteers against any and all claims, lawsuits, judgments, costs and expenses for personal injury (including death), property damage or other harm for which recovery of damages is sought, suffered by any person or persons, that may arise out of or be occasioned by bidder's breach of any of the terms or provisions of any contract awarded as a result of this solicitation, or by any negligent or strictly liable act or omission of the bidder, its officers, agents, employees, or subcontractors, in the performance of an awarded contract; except that the indemnity provided for in this paragraph shall not apply to any liability resulting from the sole negligence or fault of the City, its officers, agents or employees, and in the event of joint and concurrent negligence or fault of the bidder and City, responsibility and indemnity, if any, shall be apportioned comparatively in accordance with the laws of the State of Texas, without waiving any governmental immunity available to the City under Texas law and without waiving any defenses of the parties under Texas law. The provisions of this paragraph are solely for the benefit of the parties hereto and are not intended to create or grant any rights, contractual or otherwise, to any other person or entity.

37. Venue

The obligations of all parties under a contract awarded through this solicitation are performed in Dallas County, Texas, and if legal action is necessary to enforce same, exclusive venue shall be within Dallas County, Texas.

Bid pricing is not considered confidential and is open to public inspection. Trade secrets and other material considered confidential by the bidder should be clearly marked as such. If a request is made under the Texas Open Records Act to inspect information designated as a trade secret or confidential in a bid, the City will forward the appropriate documents to the Attorney General of Texas who will contact the bidder to request sufficient written reasons as to why the information should be protected from disclosure. Upon review of the bidder's response, the Attorney General will make a determination as to the confidentiality of the requested material(s), or lack thereof, and the City will respond accordingly.

GOOD FAITH EFFORT AFFIDAVIT
Attachment F-2 (rev. 12/31/08)

On January 11, 2007, the Irving City Council adopted a policy to equitably and conscientiously include Minority- and Women-owned Business Enterprises (M/WBE's) in the City procurement process for all basic goods, services, professional services, and construction solicitations. The City and its contractors shall not discriminate on the basis of race, color, religion, national origin, or sex in the award and performance of contracts. In consideration of this policy, the City of Irving has implemented the Good Faith Effort (GFE) Program.

M/WBE Participation Goals

The GFE Plan establishes subcontracting goals for all prospective bidders, proposers, and submitters to ensure a reasonable degree of M/WBE participation in City contracts. It is the goal of the City of Irving that a certain percentage of work under each contract be executed by one or more M/WBEs.

The following M/WBE participation goals have been established without consideration for a specific ethnicity or gender:

<u>Construction</u>	<u>Architectural & Engineering</u>	<u>Other Services</u>	<u>Professional Services</u>	<u>Goods</u>
30.00%	28.00%	33.00%	20.00%	10.00%

The apparent low bidder/most advantageous proposer shall agree to meet the established goals or must demonstrate and document a "good faith effort" to include M/WBEs in subcontracting opportunities. The apparent low bidder/most advantageous proposer who fails to adequately document good faith efforts to subcontract or purchase significant material supplies from M/WBEs may be denied award of the contract by the City based on the contractor's failure to be a "responsive" proposer or bidder.

By signing below, I agree to provide the City of Irving with a completed copy of all forms required by Good Faith Effort Program. I understand that if I fail to provide all of the required documents within five (5) business days after notification, my bid or proposal may be deemed "non-responsive" and I may be denied award of the contract.
