Irving to Hold Full-Scale Public Safety Training Exercise
250 people to participate

(IRVING, TEXAS) – The City of Irving’s Office of Emergency Management, The [Irving Police](#) and [Irving Fire](#) Departments, along with other city representatives will hold a full-scale emergency training exercise from 7 a.m. to 12:30 p.m., Sunday, March 3 at the at [Toyota Music Factory, 316 West Las Colinas Blvd.](#) Live Nation personnel also will participate.

While only Irving public safety officials will respond to the event, other North Texas public safety officials will observe for training purposes.

“With our drive to train for all circumstances, Irving is pleased to host a large-scale mock emergency event,” Irving Mayor Rick Stopfer said. “Toyota Music Factory is centrally located and able to accommodate an exercise of this scope.”

Approximately 250 people will participate in the exercise.

The city will close Las Colinas Boulevard between Fuller and the Irving Convention Center from 7 a.m. to noon March 3. Fuller Street will be closed from 6 a.m. to 1 p.m. that day. Digital signs will alert passersby to the road closures and mock event.

We ask that media notify the public beginning Feb. 25 to let them know this is a practice exercise only.

People are asked **not** to call 911, unless they need to report an emergency unrelated to the exercise.
