**(IRVING, TEXAS)**— On Sept. 16, 10 members of the Lively Pointe Adult Day Therapeutic Program partnered with Keep Irving Beautiful (KIB) at the Irving Archives and Museum (IAM) “Spark!Lab” to paint birdhouses. Prior to the event, volunteers from CHRIST Church assembled the birdhouses from kits donated by the Parks Department. After completing their projects, the group toured the museum, and enjoyed the many displays that depict the history of Irving.

“An activity like this one really epitomizes what our organization is all about - partnerships,” said KIB Board Treasurer Jim Scrivner. “As a volunteer-driven nonprofit organization, KIB reaches out to and works with groups from all areas of the city. Partnerships like these are vital to our mission, and we are very grateful to have so many people in Irving who want to help build a stronger community. We would like to thank Clare Hulfish for being so welcoming and providing the paint supplies, and the Lively Pointe staff members Carleshia and Emory for working with us to make this project a success.”
