

MEMORANDUM OF UNDERSTANDING
City of Irving
Original issue, October 14, 2008

City of Irving
And

(Federal Agency, State, or Local Jurisdiction, Emergency Organization)

Purpose

This Memorandum of Understanding (MOU) establishes permissions and guidelines for the use of the City of Irving Communications, Public Safety Radio channels by

- Local government jurisdictions and their associated emergency response agencies
- State agencies in Texas and their associated emergency response organizations
- Federal agencies in Texas and their associated emergency response organizations
- Private sector emergency response organizations licensed or otherwise entitled to operate in the Public Safety Pool as defined in Part 90 of the FCC Rules (47CFR subpart B paragraphs 90.15-90.20).

It imposes certain protocols, procedures, and obligations upon jurisdictions hereby authorized to use licensed radio channels held by the City of Irving.

This agreement supersedes any MOU or letter of authorization previously issued.

Authority

This MOU authorizes the use of City of Irving licensed frequencies for the purpose of coordination between emergency response agencies and resources. Such coordination may occur during interagency operations, en-route travel, or on-incident communications in accordance with an Incident Communications Plan.

Understandings

City of Irving will:

- Manage and maintain proper licenses for the use of frequencies identified herein.
- Manage and maintain an accurate database of federal and state agencies and local government jurisdictions that have accepted and signed this MOU.

Jurisdiction will:

- Use assigned radio channels authorized hereby for their intended purpose of coordination between emergency response agencies and resources. Such coordination may occur during interagency operations, en-route travel, or on-incident.
- Responsible for the cost of programming radio channels.
