

Irving Police Academy Hosting Procedures by Outside Agency Personnel

The Irving Police Academy is a full-time training facility conducting on-going TCOLE accredited courses, facilitating use of its space for departmental meeting needs. Many of the classes/courses are available for attendance by personnel from other law enforcement agencies. You can review the schedule of classes being held at the link below.

<https://www.cityofirving.org/DocumentCenter/View/1687/Training-Academy-Schedule-PDF>

If an agency is interested in a class/course that is not scheduled, arrangements can be made to host the class/course in a cooperative venture that would allow officers from multiple agencies to participate. For information regarding those types of arrangements please contact any of the following Irving Police Academy personnel.
