

City of Irving

Electronic Sign Affidavit:

Per Article 600.3 of the National Electric Code, all electrical signs are required to be listed by a nationally recognized testing agency prior to installation. Your signature below will verify your understanding of this requirement and your intent to comply.

After the sign is installed, you may either call us for an inspection, or you may provide photos showing the installed sign and a close-up of the UL (or other approved agency) labels affixed to the sign.
