

Getting started with EBSCO eBooks

The EBSCO eBook collection contains full-text scholarly, reference and professional eBooks to be downloaded and read on a computer or mobile device.

Android Tablets and Smartphones

These instructions apply to Android smartphones, tablets, and devices running Android 4.0+.

1. Download and install the EBSCO eBooks app from the Google Play store.
2. Open the EBSCO eBooks app and tap **Authorize** to allow the app to download and view EBSCO eBooks. (**Note:** You do not need an Adobe ID to authorize the app).
3. Tap the **Find Books** icon and under **Find My Library**, select United States and Texas. From the **Libraries Found** list, select Irving Public Library (you may have to browse through several pages).
4. Select **Patron ID Login** from the login options (below the yellow Login button). Enter your 14-digit Irving Public Library card number in the **Patron ID** field, then tap **Login**.
5. To find available titles, you can:
 - Run a keyword search (next to the magnifying glass)
 - Browse the categories, highlights and featured items on the home page
6. When you find a title that you wish to borrow, tap the item cover image. The **Download (offline)** link that allows you to check-out and download the eBook and read it on your tablet or smartphone when you are not connected to the Internet.
7. Once you select **Download (Offline)**, it will prompt you to log in to My EBSCOhost.
 - Your EBSCOhost folder is your personal account. If you do not have an account set up already, you will need to click **Create a new Account** and go through the steps to create your personal EBSCOhost account.
8. Then click the **Checkout & Download** button. The eBook is added to the Checkout area of the folder.
9. A pop-up box will appear letting you know that the download is complete and is available in your Bookshelf. You can either select to **Read Now** or **Read Later**.
10. You can access the books you have checked out in your Bookshelf located at the bottom right on your page. Click the book cover to begin reading.
11. To return a book, tap the Settings icon (top right corner) and change the Bookshelf View Settings from “Covers” to “List” view. Then click the arrow button to the right of the book you wish to return and select **Return** to return that item to the library collection.
 - Simply deleting the title from your Bookshelf will not return the book to the library’s collection.
 - Books are automatically checked in and removed from your account after 1 day.
