# Irving Unit Recovers Man's Body

A rescue unit of the Irving Police Reserve recovered the body of Ralph Thomas from Lake North Tuesday morning. Thomas, 32, drowned Sunday when a boat which was towing him on water skis stalled. He reportedly did not know how to swim and had removed a life belt which he had been wearing earlier.

The Lancaster man's wife was driving the boat when the motor stalled.

He was a driver for the Dr. Pepper Co. in Dallas.

A search for the body had been underway since Sunday afternoon. Several rescue units from the area were involved in the search.
