Family looking for car in hit and run accident

Irving police and the parents of a 17-year-old boy are seeking a car suspected of being involved in a hit and run accident June 8.

Betty Cundiff, mother of Robert Rawlinson, said the car involved in the accident is a 1965-68 Mustang classic, navy to black in color with tinted windows and chrome wheels.

Cundiff said her son was stopped at a stop sign on a motor scooter at the intersection of Ireland and North Britain. Rawlin-

son's motor scooter and the car collided leaving Rawlinson with nerve damage in his left leg, facial bruises and a broken nose.

The car should have damage on the right side, Cundiff said.

Police Sgt. Ben Fortner said with no witnesses to the accident and no license number, the likelihood of finding the car is slim.

If anyone has any information about the car, they should call Irving police.
