Portends my time seemed all too brief.

Good friends, good times, a loved one's touch.

My life's been full, I savored much.

I wish you the sunshine of tomorrow.

Be not burdened with times of sorrow,

Oh yes, these things I too will miss.

A friendship shared, a laugh, a kiss.

Then all will with remembered joys.

As my painting has left me, void.

I found that peace at the close of the day.

Tears let me know must stay their way.

To laugh is to love to work or play.

I could not stay another day.

I turned my back and let it all.

I took his hand when I heard him call.

I'm following the path God has laid you see.

Don't grieve for me, for now I'm free.
