FRANCE, HELEN LOUISE MONTGOMERY, 85, of Irving died Sunday, May 8, 2005 at Ashford Hall Nursing Home. She was born November 24, 1919 in Ensley, Alabama to Minnie Pearl Hartsfield and Britton Edward Montgomery. Her own mother died when she was only thirteen years old. She felt this loss deeply and it resulted in the separation of herself and her siblings during the hard days of the depression. It influenced her own desire to be a loving mother. Her first husband, Roy Callaghan died on D-Day in WWII. She was married and divorced from James Thomas France, with whom she had one daughter, Jimmye Lynne France of Arlington, VA. She struggled to raise her daughter alone and without assistance. Helen graduated from El Centro College in May 1977 with an Associate Degree in Applied Arts and Science. An Irving resident since 1964, she worked for over twenty years for the US Postal Service of Dallas, TX, retiring in 1987. She spent her final years enjoying her independence in her own home until recently. She always took pride in her appearance and dressed in cheerful clothes. For many years she kept a variety of plants growing around her home. She had a long-time companion of 17 years in her poodle, JoJo, who was with her until 1994 and brought her great happiness. For as long as she was able, she liked to take walks around the Las Colinas duck pond. Her greatest joy in life was being a mother to the daughter she dearly loved. She gave her love unreservedly and always did her best. Her final day on earth was Mother's day. Preceded in death by two brothers, she is survived by her daughter, Jimmye; sisters Martha Jane Mitchell of Alabama, Mary Frances Graff of California and Virginia Warner of Minnesota.
