DAWN C. HARDELL

Dawn C. Hardell went home to the Lord on February 12, 2008.
Dawn was born to John and Arline Vukelic on April 16, 1937 in Milwaukee, WI. She married her high school sweetheart, Joel C. Hardell on May 25, 1957. In June 1973, the family moved to Texas, where they quickly found a church home with Our Redeemer Lutheran Church in Irving. They also attended Messiah Lutheran Church in Keller. While raising her family, Dawn obtained an Associate's Degree from Northlake College.

Dawn worked at the Boy Scouts of America National Headquarters, retiring after 15 years of service. It was then that Dawn found her chance to pursue a long-held dream. Moving to Ennis in 1996, she and Joel ran a Bed and Breakfast for several years. Seeking a church closer to their new home, they became members of Christ the King Lutheran Church in Waxahachie. When the time came to be closer to the family, they moved to Euless and renewed their ties with Our Redeemer Lutheran Church.

Dawn has always been an active member of her community. She was a member of Beta Sigma Phi since 1974, the Red Hat Society, and Lutheran Women's Missionary League. Less than two years ago, she took on a new challenge, and accepted a job with Irving ISD as a teacher's assistant at Pierce Early Childhood Center working with special needs children.

Dawn was preceded in death by her father, John Vukelic and husband Joel C. Hardell.

She is survived by her mother, Arline Vukelic, 90, of Menomonee Falls, WI; sister Pamela Gross and her husband Dale Gross of Hubertus, WI; son Matthew, and his wife Shelley Hardell of Fort Worth; daughter Heather and her husband, David Lasseter of Irving; son Martin (Marty) and his wife Julie Hardell of Oklahoma City, OK; grandchildren: Stephanie and her husband, Bryan, Haley and Huntington Lasseter, Kevin and Kyle Hardell; great-grandchildren: Kamryn and Lauren; nephew Mitchell Gross and niece Michele and her husband Dave Ley. Dawn is also survived by dear friends, the family of Jim and Diana Atkinson, John Bremer, and the Schlemmer family.

Dawn had a robust spirit and love for life, enjoying an active lifestyle with her family: fishing, camping, boating, waterskiing, swimming (particularly at Lake Whitney), and her latest adventure, snow skiing.

Dawn's faithfulness and servant heart were best evidenced by the extended matrix of friends, family, and church family praying so fervently for her in her last days. She left this world unafraid and asks that her life and salvation be celebrated.

Visitation began before the service at Our Redeemer Lutheran Church on Feb. 14 with Rev. Norman Finke and Pastor Robert Hemsath officiating. She will be interred with her husband at the VA National Cemetery in Dallas.

Contributions may be made for a donation to LWML or the USO in Dawn's name.

Witness Talks About Plano Fatal Accident

PLANO (CBS 11 News) — A Plano family's mini-van was broad-sided as they left church Sunday morning. The mother, father and three children died.

Friends have identified the victims as Geoff and Christy Hart. Their 12-year-old daughter Rebekah Hart also died in the crash. The family's two foster children were also killed.

Accident investigators say all five family members were properly restrained and secured in their mini-van.

Friends have begun building a memorial of teddy bears and flowers at United Methodist Church. Friends say the family was actively involved in church activities.

A driver, who was knocked unconscious during the accident, talked with CBS 11 News about what happened.

Diedre Wilson described the van as "a mangled mess. The minivan was completely devastated. I saw a little girl on the concrete. The paramedics still weren't there yet. I saw two females giving her CPR and doing chest compressions on the little girl on the street."

Police say the driver who caused the accident is 46-year-old David Jones. He is still recovering at Medical Center in Plano. Police are still trying to determine if he will face any charges.

Monday, Geoff and Christy Hart's parents, Norma and Jim Hart and Bill and Kathy McDonald, released the following statement:

"We are still trying to comprehend the death of our beloved son, daughter and granddaughter on Sunday morning. As we walk through this incredible grief, the outpouring of love from Custer Road United Methodist Church and the community that they called home for 18 years is a great comfort to us.

Our family also included the foster children whom Geoff and Christy loved. Our hearts break for the loss of those two young daughters.

Geoff, Christy and Rebekah were loved by so many. What a privilege it has been for us to share them with so many other people. We want to thank all who knew them and cared for them, as well as strangers who have been touched by the testimony of their lives.

Even in the midst of this tragedy, we believe - like Geoff, Christy and Rebekah did - that God is faithful and God is good, and he will use this event for his glory.

Christy's sister, Lynn Hains
Geoff's brothers, Ken, Charles and David Hart"

LILLIE MORRIS BURKE HINDE

Lillie Hinde was born December 30, 1920, in Clarksville, TX, the fourth of five children born to Lydia Alford Morris and Robert Byron Morris. The family moved to Denison, then to Dallas, where Lillie graduated from North Dallas High School in 1938.

Lillie met Robert Burke while still in high school. She followed him to Pasadena, in southern California, where he worked as an aerospace engineer. Lillie lived with his mother and attended business school until they were married in 1941. Lillie and Bob were married for nine years before the birth of their first son, Donald Robert. A second son, Bobby Jr., followed two years later. Bob Burke was an avid pilot and often took the boys flying. In 1962, the three were flying and crashed in the mountains near Palm Springs. It was over a year before the wreckage of the plane was found, and it was confirmed that her husband and two sons, age 11 and 13, were killed.

With tremendous support from her extended family and her church, Lillie poured herself into what would become her life's work and passion: using her formidable energy and resources in a volunteer capacity towards numerous organizations. Her first was Florence Crittenton, a home for unwed mothers; later, it would be the performing arts.

In 1966, she married Harry Hinde, her next door neighbor in the tiny enclave of beach houses that sat on the shores of Newport Bay in Newport Beach. Harry and Lillie divided their time between Newport Beach and Palm Desert, where they kept a home decorated completely in red, white and blue.

In 1969, they moved to Oxnard, California, where Lillie used her business acumen and sales skills to build Prawno Shrimp Machine Company into a successful enterprise, selling to chains like Red Lobster. Lillie was also devoted to Harry’s two young granddaughters, and in 1976 began a tradition with long time friend Virginia Buhrer of Newport Beach, of taking their granddaughters on a month-long summer road trip that canvassed all major points of interest in the West on their way to the Buhrer family ranch in Joseph, Oregon. Lillie volunteered her time as cook and made crafts with over 100 kids each summer at the annual two week Chief Joseph Summer Day Camp.

In the 80’s, Lillie became very active in the Orange County performing arts. She was a founding member of Opera Pacific and a founding member of Opera Pacific’s Guild Alliance. She was also a major supporter of the Master’s Chorale of Orange County, now known as the William Hall Master Chorale.

After Harry became ill with Alzheimer’s, Lillie moved with him to Mount Pleasant, TX, to be closer to family. When he passed away in 1989, Lillie moved to Irving and shared a home with her two sisters, Ruth Morris and Katherine Reamer.

Through her involvement with the First Baptist Church of Irving, she was introduced to Dr. Steven Jones, who had recently founded Lyric Stage, Dallas County’s only locally produced professional musical theater company. Drawing on her business skills, passion for music and volunteering, and vast network of friends, Lillie became instrumental in helping Lyric Stage grow into the most honored musical theatre company in North Texas.

Lillie founded the Lyric Stage League, an auxiliary support organization for Lyric Stage, and was awarded its Honorary Life Member award. The League membership renamed the annual personal achievement award to “The Lillie Hinde Star Award.” Lillie was named Chairman Emeritus of the Lyric Stage Board of Directors.

In addition to her work with Lyric Stage, Lillie was a founding member of the Friends of the Irving Chorale, a member of the Las Colinas Women’s Association and the Irving Heritage Society. Lillie was honored by the City of Irving’s Convention and Visitors Bureau in 2004, receiving its High Spirited Citizen Award for her commitment to volunteerism.

After sister Ruth passed away, Lillie and Katherine moved into an independent living facility in Irving, where Lillie lived until her death. Lillie is survived by her sister, Katherine, many nieces and nephews, her granddaughters, and her close friend, Steven Jones.

Lillie will be remembered by people in both Texas and California for her endless energy and enthusiasm for people, parties, adventure, and her tireless work ethic that benefited so many in the performing arts in both Orange County and Dallas County.

Lillie’s memorial service will be held on May 24 at 10:00 AM at the First Baptist Church of Irving, 403 South Main Street. Memorials may be sent to Lyric Stage, Lillie Hinde Memorial Fund, 3333 N MacArthur Blvd. Irving, TX 75062.
