I just received notice that **George Edwin**, an architect who was involved directly and indirectly on many projects throughout Irving, died Thursday morning. A service will be at 2 p.m. Nov. 23 at **Plymouth Park Church of Christ**, 1710 W. Airport Freeway in Irving.

Edwin was past president of the **Irving Heritage Society** and a dedicated volunteer for the society. He was responsible for many of the historical markers getting placed throughout the city. He also was first chairman of the Museum Board.

Many agree that he was an expert on the history of Irving. Along with history, he loved music, art and books.
