"Uncle" Floyd Bryant left this world to begin his eternal life in Heaven on April 30, 2010. Upon arrival, it is certain that he was immediately embraced by his loving family members including his mother, father, and sister. Floyd was born January 29, 1951 and spent his entire life in Irving. He dedicated 35 years of service to the City of Irving and retired in 2004 as a mechanical supervisor. Over the years, Floyd formed many relationships with his coworkers and cherished their friendship. In his private life, Floyd was deeply loved as he was truly one of the best men of our times. He was always there for everyone, regardless of what the situation might be. Uncle Floyd was known for his ability to fix your vehicle over the phone, and for that many are thankful. Uncle Floyd was a source of advice, support, and guidance for the family. He would always take the time to listen and then help you in any way that he possibly could. Although he never married or had children of his own, many thought of Uncle Floyd as a father figure and all the children in the family knew that he loved them deeply. Uncle Floyd was passionate about Nascar and was an avid collector of model cars. He loved cats and dogs and provided a home to many over the years. Uncle Floyd was a unique person in that he always cared for others before himself. He especially loved Christmas time, and the family knows that he is now surrounded by beauty in the majesty of Heaven. He is preceded in death by his mother Patsy Jo Kelly Bryant and father J.B. Bryant, and sister Kathy Dodson. Floyd is survived by his sister Robbie Mourning, nieces Angie Pimm, April Mourning, and Amber Newman; nephew Jeff Baker, great nieces Sarah Pimm, Misty Mourning, and Avery Newman; and great nephews Maxx Pimm, Logan Baker, and Ian Newman. Woman killed when SUV strikes tree
11:25 PM CST on Saturday, February 13, 2010
By Candace Carlsile, Staff Writer
12-year-old woman was killed early Saturday after she failed to navigate a curve in the 12800 block of Mustang Road in Denton County and hit a tree, said Trooper Tammy Hatcher, a spokeswoman for the Texas Department of Public Safety.
Jamie Buckingham was killed instantly at about 1:30 a.m. when she hit the tree, which penetrated the driver's seat of her sport utility vehicle, Hatcher said.
There were no witnesses to the accident.
Later that morning, a passerby saw the woman in the vehicle and notified authorities, she said. Jamie was a month younger than me. We grew up riding together and had stayed in touch all these years. She was always the first to say hi. You could go a while without seeing her and she'd be happy to catch up.

Duane And Linda Buhrmester

Buhrmester, Duane and Linda. Our beloved parents, Linda Lou Buhrmester and Duane Paul Buhrmester, passed away in a mountaineering accident in Colorado on July 27, 2010. Mom was born November 28, 1953 in Vancouver, WA. Dad was born on August 19, 1952 in Ritzville, WA. Theirs was a joyful, loving, lifelong relationship having met and fallen in love in the 8th grade in Camas, WA. Mom graduated high school in Camas the top of her class and enjoyed cheerleading. Dad was a fullback and played with his older brother, Larry. Both went to Evergreen State College, spending their summers working various jobs, including the Forest Service and Camas paper mill, and learning to mountaineer through friends and classes. Mom studied early childhood education and Dad, psychology. They then moved to Denver where Dad worked on his doctorate in developmental psychology at the University of Denver. Mom supported them both working as a typesetter. While on the faculty at UCLA, us boys, Michael and Ryan were born. We moved to Plano, Texas in 1989, where Dad has served since as full professor and Associate Dean of the School of Behavioral and Brain Sciences at the University of Texas at Dallas. Dad studied adolescent development and was a national expert on adolescent friendships and romantic relationships. More than a wonderful mother for her two sons. Mom has been a second mother to dozens of infants and toddlers to whom she provided child care from our home. Mom was the consummate mother and provider, loving each of the children as her own. Mom and Dad’s lives were so intertwined - running, volleyball, singing, and soccer were just a few of things they shared together. Mom and Dad poured their lives into us boys. Dad coached many of our youth sports teams and both loved to watch us play and take us all over the country for tournaments. Mom and Dad were also involved in our education, coaching Odyssey of the Mind and mentoring science fair. As a family, we loved the outdoors, especially skiing and mountaineering. Mom and Dad were extremely experienced hikers and climbers. We went on so many wonderful adventures together, climbing many classics - Mt. Rainier, Mt. Hood, and dozens more in the Western US. Our most recent trip in July was our best. We climbed Mt. Whitney and Cathedral Peak together. We are so blessed to have all these memories. Mom and Dad are survived by us boys, Michael Buhrmester and Ryan Lloyd Buhrmester. Mom is also survived by sister, Jean and husband, Roger Wollam of Camas, WA; brother, Gary and wife, Ciria Fischer of Camas, WA; brother Neil and wife Anne Fischer of Vancouver, WA; brother, Loren, and wife Joyce Fischer of Boring, OR; sister-in-law, Donna Fischer of Lodi, CA; sister-in-law, Sandi Fischer of Cam-as, WA; and by the many families of children she cared for. Burchfiel, Marilyn Ruth Bryan On Sunday, October 17, three days shy of her 82nd birthday, our Mother, Grandmother, and faithful wife to Stan for 62+ years was ushered into heaven by her Lord and Savior, Jesus Christ. Marilyn’s unwavering love for her Lord, her husband, and precious family was always genuinely consistent with her outgoing contagious smile and never ending laughter. While Marilyn was a Chi Omega beauty queen at Kansas State University, she met and later married fellow hometown son Charles Stanley Burchfiel of Anthony, Kansas, on June 27, 1948. During the course of 62+ glorious years of marriage, Stan and Marilyn moved to Dallas from Kansas City with their first son Bryan and later completed their family with Michael and Patrick. All three sons are eternally grateful that their lives were so enriched and patterned after a Godly mother and father. With her gifts of service and compassion, Marilyn never grew weary of serving others at her home, working as the church secretary or helping feed those less fortunate across town. Marilyn and Stan have been active members of the body of Christ serving at Walnut Hill United Methodist Church for the past 49 years. All those years produced many loving friends in their church and throughout the same Sparkman Club community where they have lived since 1961. Retired teacher from Crockett High
Franchelle Byington

Byington, Franchelle Franchelle Byington, as beautiful and unique as her name, went to be with her Lord and Savior Aug. 9, 2010. Franchelle was born Aug. 11, 1924 in Corsicana, TX to Edward James & Velma Pearl (Smith) Byington. Her family moved to Dallas when she was 2 and she remained a resident of the Dallas area throughout her life. Preceded in death by her parents, husband, Vic Ballard, and two brothers, Billy & Bobby. Survived by three daughters, Vickie, Pam & Cathy; 5 grandchildren and 7 great grandchildren. Her family adored her and misses her smiles and hugs already. Friends were instantly drawn to her sweet smile and sincerity. She lived the last 15 years of her life in Irving in a lakeside home surrounded by the flowers and family she loved so much. She was a member of the Pathfinders Class of First United Methodist Irving. Even though she was unable to attend class in recent years, she was faithfully in her seat at church every Sunday she was able. A strong and smart woman, Franchelle was an excellent bookkeeper which led her to many jobs, working in the fashion industry for many years, and then becoming a business owner herself. She loved life and lived it to the fullest, encouraging her family to do the same. She traveled, danced and played until she was no longer able. She persevered for 8 years on dialysis, driving herself to and from treatments 3 times a week, a feat almost unheard of in the medical world. She was beloved and cared for at Irving Dialysis. The family owes a debt of gratitude to Dr. Liang who has watched over her health with us in ways far beyond what a medical doctor would normally do and thanks also to the staff of Irving Dialysis, Baylor Hospital Irving CCU staff for their care and attention this summer. In lieu of flowers, donations may be made to First UMC Irving. A Celebration of Life and Homegoing to Jesus will be held at 2:00 PM, Thursday, Aug. 12, 2010 at First United Methodist Irving. Her ashes will be taken to the beach where she taught 2 generations to love the golden days of summer.
