Davis H. Fischer, of Irving, went peacefully into the arms of his Lord on Friday, October 14, 2011, after a courageous battle with cancer. He was born January 25, 1917 in Dallas. He is preceded in death by his parents Arthur and Elizabeth Austin Fischer, brother Austin Fischer and wife Peggy, and daughter Joan Hatcher. He is survived by his wife Juanita Fischer of Irving; son Jerry Fischer and wife Marilyn of Lufkin; daughters Judy Jones of Terrell, Linda Fischer and Sheila Fischer, both of Irving; daughter by choice Delores Norris and husband Mark of Irving; grandsons Adam Fischer of Waco., Austin Fischer and wife Allison of Waco, Curtis James and wife Julie of McKinney, and Michael Harris and wife Carrie of Magnolia and five great grandchildren. Dave’s early years were spent in Dallas until moving with his family to Gainesville when he was 13 where he finished high school. He was a graduate of North Texas State College (now University of North Texas) with a Bachelor of Science Degree in Mathematics and Chemistry. Dave’s first paying job was teaching math in Big Spring, TX where he taught for several years. He was a dedicated teacher and was well-liked by both students and faculty, so much so that other teachers brought him their more challenging students for counseling and tutoring. When World War II came along, Dave proudly served his country by moving to Long Beach, California to work as a welder in a shipyard where military vessels and equipment were built in support of the war effort. When the war ended, he returned to teach in the Rad Ware school system near Gainesville until he moved to Dallas in 1953. In the early ‘60s Dave moved to Irving with his family where he and his wife Juanita opened a Century 21 real estate office where they both worked until his retirement in 1985. Dave’s favorite pastimes were fishing with his family on one of our Texas lakes, watching baseball or basketball with his children and grandchildren, doing all kinds of woodwork in his shop, and playing the guitar. Dave’s passion for guitar music covered a broad range of artists from Carlos Montoya to Stevie Ray Vaughn in more recent years. In addition to his love for guitar music, he had a life-long passion for learning, reading, and problem solving. To his friends and family members, he was known as the man who could fix anything and usually did. The family would like to thank the special friends in Dave’s life who have shared in this journey the past few years. You have made our grief a little easier to bear, and you will always hold a special place in our hearts. Although we will sorely miss him, we know that Dave is now in the presence of our Lord and Savior where we will one day be with him again. In lieu of flowers, the family has requested that donations be made in Dave’s memory to the American Cancer Society, P.O. Box 560089, Dallas, TX 75356 or the Susan G. Komen Breast Cancer Foundation. Funeral services will be held at 2 PM Tuesday, October 18, 2011 at First United Methodist Church in Irving. Burial will follow at Oak Grove Memorial Gardens. The family will receive friends 6-8 PM Monday at the funeral home. Memorial donations may be made to American Cancer Society, P.O. Box 560089, Dallas, TX 75356.
