Anne Ellison Hood  
(February 15, 1931 - January 6, 2013)

ANNE ELLISON HOOD passed away on Sunday morning, January 6, 2013. Anne was born in Jellico, Tennessee on February 15, 1931 to Lucille Clark and William Ray Ellison. They preceded her in death as did her siblings: William Ray Ellison, Jr., Doris Robinson, and Rachel Trick. Anne graduated from Carson Newman College and went on to earn her master’s degree from Southern Seminary in Louisville, Kentucky. Anne gave her life to full time Christian service. After serving at churches in Madisonville, KY and Fort Smith, AR, Dr. W. A. Criswell called Anne to work at First Baptist Church, Dallas, TX in 1956. A handsome young man named Jack Emerson Hood from Fort Smith followed the energetic and vivacious Anne to Dallas and they were married April 17, 1958. Jack was Anne’s source of unfailing encouragement as she poured her heart into working with young married couples and building a strong network of support for families through the Sunday School program. Jack faithfully supported Anne in her life’s calling until his death on December 4, 2006. Anne sought out people and always made them feel welcome and worked tirelessly to help and encourage couples in any way she could. In addition, Anne’s grand vision and attention to detail were gifts she used to plan and coordinate revivals, anniversary celebrations, retreats, and many special events for the church.

There was never a dull moment with Anne as she was gregarious and quick to laugh with a twinkle of mischief in her eyes. Anne always jumped at the chance to start a conversation with anyone she encountered. Anne loved people. She was a story teller extraordinaire and it was not uncommon to find her at the center of any gathering spinning a tale. She was always the life of the party. After serving over 30 years as Young Married Director at FBC, Anne retired from working at the church, but she never retired from serving the Lord.

The family would like to express our extreme gratitude to Anne’s best friend of 50 years, Mollie Nance, who so faithfully and sacrificially cared for Anne over the past 2 years. We are also grateful to Charlean Watson, her gifted caregiver who lovingly tended to her for the past year.

Anne is survived by her two sons and daughters-in-law: Jack Emerson Hood, Jr. and wife, Melissa and Clark Ellison Hood and wife, Sherrill. Anne was “Grandannie” to four precious grandchildren whom she adored: Richard Emerson Hood, Haleigh Anne Hood, Harrison Clark Hood, and Michael Ellison Hood.

Anne graduated from Carson Newman College and went on to earn her master's degree from Southern Seminary in Louisville, Kentucky. Anne gave her life to full time Christian service. After serving at churches in Madisonville, KY and Fort Smith, AR, Dr. W. A. Criswell called Anne to work at First Baptist Church, Dallas, TX in 1956. A handsome young man named Jack Emerson Hood from Fort Smith followed the energetic and vivacious Anne to Dallas and they were married April 17, 1958. Jack was Anne’s source of unfailing encouragement as she poured her heart into working with young married couples and building a strong network of support for families through the Sunday School program. Jack faithfully supported Anne in her life's calling until his death on December 4, 2006. Anne sought out people and always made them feel welcome and worked tirelessly to help and encourage couples in any way she could. In addition, Anne’s grand vision and attention to detail were gifts she used to plan and coordinate revivals, anniversary celebrations, retreats, and many special events for the church. There was never a dull moment with Anne as she was gregarious and quick to laugh with a twinkle of mischief in her eyes. Anne always jumped at the chance to start a conversation with anyone she encountered. Anne loved people. She was a story teller extraordinaire and it was not uncommon to find her at the center of any gathering spinning a tale. She was always the life of the party. After serving over 30 years as Young Married Director at FBC, Anne retired from working at the church, but she never retired from serving the Lord. The family would like to express our extreme gratitude to Anne’s best friend of 50 years, Mollie Nance, who so faithfully and sacrificially cared for Anne over the past 2 years. We are also grateful to Charlean Watson, her gifted caregiver who lovingly tended to her for the past year. Anne is survived by her two sons and daughters-in-law: Jack Emerson Hood, Jr. and wife, Melissa and Clark Ellison Hood and wife, Sherrill. Anne was "Grandannie" to four precious grandchildren whom she adored: Richard Emerson Hood, Haleigh Anne Hood, Harrison Clark Hood, and Michael Ellison Hood. Funeral services will be held in the main sanctuary of First Baptist Church on Friday, January 11 at 10:00 a.m. Private interment will be at Dallas-Fort Worth National Cemetery. In lieu of flowers, contributions may be made to the church she loved so dearly, First Baptist Church, 1707 San Jacinto Street, Dallas, TX 75201.

William Harry Houseworth,

was born to Harry and Bess Houseworth on February 20, 1920 at home in Ardmore, Oklahoma. He died on May 10, 2013 after suffering a cerebral hemorrhage on the previous Sunday evening. Born the only son and middle child of five, his life is defined by his faith, his love of flying and his love of family. After graduating from Cyril High School in 1938, he earned an associate degree in engineering from Cameron Junior College and his private pilot license in 1940. Bill was sworn into military service in November, 1940 and after attending the Flying Cadet program, received his wings and his commission as a 2nd Lieutenant in the United States Army Air Corps in July, 1941. Stationed in the South Pacific during WW11, he received the Air Medal with 3 Oak Leaf Clusters and the Distinguished Flying Cross. Bill married Marjorie Swarts in April, 1944. He served in the US Air Force until January 1946, earning the rank of Major. Bill graduated in 1948 from the University of Illinois with a BS degree in Aeronautical Engineering. While there, he was one of the first instructors in their new pilot training program. After graduation, he worked for NACA (predecessor of NASA) in Cleveland before being recalled into the Air Force. After his retirement from Vought, he worked at UTA and Airtrans and as a consulting engineer with Aerospatiale Helicopter and Walker and Grey Eng. In 1980 he retired from the Air Force as a Lt. Colonel. In that same year, his son Bill gave him a Fathers Day gift of a ride in a glider, which led to 12 years of their shared enjoyment flying the tow plane and gliders in the North Dallas Glider Club. The Arkansas cabin, a family vacation destination for 20 years, became their retirement home for 20 more years, before returning to live in Irving. The home Bill and Marj designed and did much of the labor building has become their final home. Celebrating family occasions, sailing and travel in the states and overseas were frequent activities during retirement. His kids and grand kids remember all of his ingenuity and building skills from stilts, rubber-band rifles, blocks, to a treehouse and the infamous swimming pool. He was a longtime member of First United Methodist Church, Irving serving on many boards and committees, particularly serving as unofficial maintenance worker of the Day School while Marjorie was director.
