was born to Bernard Pedro (preceded in death) and Celestine Allen on November 26, 1955 in Washington, D.C. She was the fourth child of six, which included Bernard Pedro Allen Jr. (preceded her in death), Marie Celeste Grant, Patricia Ann Davis, Elizabeth Valencia Allen, and Christine Louise Allen. As a child growing up in Suburban Philadelphia where she attended elementary school she enjoyed spending time with her siblings where one of her fondest memories was when her mother dressed she and her sister Patricia (Pat) in coordinating outfits. One could say that is where she acquired her love for fashion and classy dressing.

During the 1970’s the family moved to Houston where Barbara and her siblings were an intricate part of integrating Madison High School located in Southwest Houston. That is where she met Ersel Cole Jr, and God ultimately blessed them with their two greatest joys in life; their children; Ersel (The III) and Natalie.

Her initial college years were at Kilgore College where she received her Associate of Applied Science in Nursing in 1993. In 2000, Barbara began working in the field of teaching as a Health Science Technology teacher for Longview High School. She often told stories and facilitated in depth discussions on numerous healthcare topics. Many of her students chose careers in the Healthcare Industry due to her inspirational character and impactful teaching. In 2008, she moved to the Dallas/Fort Worth area where she continued her healthcare career as a nurse in Irving ISD. She worked for Sam Houston Middle School and most recently Travis Middle School. She later graduated from the University of Texas at Arlington with a Bachelor of Applied Science in Nursing with Honors. In her tenure with Irving ISD she served as a confidant and mother figure to many of her students. She was loved by all of those she came in contact with for her vivacious personality and drive, to overcome obstacles.

In 2012, Barbara was diagnosed with Stage 3 Ovarian Cancer, but never gave up. She may have had cancer, but the cancer certainly did not have her. She always believed that God would do exceedingly and abundantly more than she could think and or imagine (Eph.3:20). When the doctors would say “we do not think she will make it” Barbara would proclaim that “everything happens in God’s timing.” On February 2, 2014 God’s omniscient timing was manifested and HE saw fit to call HIS angel home. She fought the good fight and faithfully endured her race and now claims her place with her heavenly FATHER. Rejoicing and dancing as she is made whole again.
Barbara is survived by her children Ersel Cole III (LaKisha Cole), Natalie Gray (Edwin Gray);
grandchildren, Trinity A’nia Gray, Madison Alyssa Gray, Sanai MacKenzie Cole, and Ersel Cole IV;
nieces and nephews, Aundrea Marie Allen, Karen Michelle Grant, Kenneth Jonathan Grant,
Angela Allen, Brittany Allen, Christopher Ja’Mayl Allen, Ashley Marie Allen; grand-doggies, Titan
and Nura Gray.

Dr. H. Eldon Attaway, D.D.S., 83, of Irving, Texas was called home by the Lord. He passed away at his home on December 19, 2014. Eldon was born January 5, 1931 to Hugh Milton and Lela Chambers Attaway of Aransas Pass, Texas. On September 17, 1955, he married the love of his life, Joan Elizabeth Evans. He attended Texas A&I in Kingsville, Texas, Baylor School of Dentistry, Dallas, and specialized in Orthodontics at the University of Nebraska. He served the Baylor community for more than 50 years, where he earned the honor as the longest serving Associate Professor in Baylor school history, to date. He was recently recognized by his colleagues with the establishment of the H. Eldon Attaway Award for excellence in teaching. Eldon’s passions were many; God first, his family, his practice, the love of golf, and his beloved Cowboys. He and his family are life-long members of the First United Methodist Church in Irving, where he dedicated his Christian life as Steward, Usher, and honorable member. He was a loving husband to Joan, a dedicated and respected father to Leigh, Linda, and Doug and without a doubt, the proudest grandpa to Curtis, Kara, and Cade. Eldon was truly the foundation and strength of his family, always offering his wisdom, guidance, and support to those he held dear. His unique and “special blend” of humor was only a part of what made him the Eldon Attaway that we all knew and loved. One of the legacies of Eldon shines in the countless smiles of his patients throughout North Texas, and beyond. His dedication to excellence in his field was evident to all his patients, students, and colleagues. As a pillar of the community, many lives have been changed through his generosity, wisdom, and dedication to others. There will forever be a void at the 19th hole and at locker #143 at the Las Colinas Country Club. Rain, sleet, snow, or hail, if the course was open he was there hitting the links. He treasured the times he shared his passion for golf with his dear friends, son and grandsons and they will forever cherish those times. Visitation will be Monday, December 22, 2014 from 6:00-8:00 PM at Ben F. Brown Memorial Funeral Home in Irving, Texas. A celebration of Eldon’s life will be held Tuesday, December 23, 2014 at 2:00 PM at the First United Methodist Church in Irving, Texas followed by interment with military honors at Oak Grove Memorial Gardens in Irving. Eldon is preceded in death by his parents Hugh and Lela Attaway and his son Leigh Eldon Attaway. He is survived by his wife of 59 years, Joan Evans Attaway of Irving, Texas, daughter Linda Attaway Finch, and husband Rodney of Anderson, Texas, son, Douglas Milton Attaway and wife Hazel of McKinney, Texas, grandchildren Curtis Finch, Kara Finch, and Cade Attaway. In lieu of flowers, contributions may be made to: The Baylor Oral Health Foundation. On the memo line of your check, please state “H. Eldon Attaway Scholarship Fund.” Checks should be mailed to: Department of Orthodontics, Baylor College of Dentistry 3302 Gaston Ave. Dallas, Texas 75246.
