Obituary for Mary Deal

Wanda Deal – A Beautiful and Precious Lady

In thoughts of this wonderful, lovely woman, who was more than a friend; she was like my sister. Wanda had a unique strength of character and caring that was beyond compare. Over a period of forty years or more I came to know her strengths and love for all people. She never had an unkind word about anybody—and if she did she never spoke of it. She was a wonderful mother, grandmother and great grandmother who made her family the center of her life. Wanda truly loved each and every grandchild and always made a special effort at birthday times and celebrations for them. If anyone had a problem, Wanda was their confidante. Her very nature was positive and she was able to handle any difficulties with care and concern. Wanda was a true friend who would be there for anyone and was the one you could lean on in times of life’s trials. In her personal life, she faced each problem with patience and determination. I never heard her complain and she kept a positive attitude to get through life. I truly believe she was like a shining star. Her love for people was constant and everyone who knew her was blessed to have her in their lives. I know I am truly blessed to have had such a wonderful and true friend. Her memory will always be in the hearts of all who were fortunate to know her. She truly was a “Shining Star”.

Dalton Debrick (1996 - 2014)

Debrick, Dalton August. Dalton August Debrick, 18 years old, of Irving TX, went home to be with his Lord on Sunday, August 24th, 2014. Dalton was born on August 10th, 1996 in Irving, TX to parents Danny & Debbie Debrick. We lost a great young man, whose life would seem too short to many, but those who were touched by him understood that the quality of existence far exceeds the quantity of time in which one lives. His personality was so amazingly full of life, that it touched the hearts of those around him at any given time. Dalton would never have to speak a word because his voice and thoughts could always be heard through his contagious smile, anytime he entered a room. Dalton impacted and made a huge difference in his community, school, church, and with his sports teams. He was truly a genuinely kind-hearted bright young man. With his passing, we remind others that his life is one to be celebrated. Dalton will never be forgotten and will remain in our hearts forever.
