Our beloved, Catherine Hardie, our Tatsy, went home to her Heavenly Father and to the joy of being reunited with her beloved Johnny on May 26, 2014. Our mother resided on the J-D Ranch in Athens, Texas for many years before making her home at the Remington in Valley Ranch. The last two years of her life were spent with her daughter, Anne, in the home in Cedar Hill where she had wonderful memories in a home that she and the Chief had built many years ago. She considered her faith in Jesus and her family to be her greatest treasure.

Born on July 18, 1916 in Dallas, she was raised in Lakewood. She was a proud Woodrow Wilson Wildcat as were her brother and 2 sisters, her two sisters-in-law, her two brothers in law and her three children. She was still singing the Woodrow fight song at the age of 96. Awaiting her arrival in heaven was her husband, John Timmons Hardie, her brother, John Clifford Davis, her sister, Rebbie Margaret Lyon and her granddaughter, Kelly McClintock. She is survived by her son David Hardie and his wife Sandra, daughter Anne Hardie Bradford, daughter Marilyn Hardie Buie and her husband Vernon. Also surviving are her sister, Mary Busey and her husband Dick, 8 grandchildren and 17 great grandchildren, and many nieces and nephews. Our mother taught bible credit in the Dallas Public schools in her home for many years and was devoted to the study of the bible all her life. She was loved and admired by all who knew her. Her sparkling, joyful personality and her great physical beauty were much admired by all who came her way. She was truly adored by her family, and we shall treasure the lessons she taught us, the joyous family times we had together, and we shall tell our many beautiful and hilarious “Tatsy and Gan Gan stories” all the days of our lives. Her lessons, her laughter, her positive, loving attitude, her sense of humor and her wisdom have blessed all our lives. She made each of us desire to be a better person. She was the ultimate Proverbs 31 woman. We are honored to have called her ours, and we cherish each of those almost 98 years. Her life made our lives special. “Whosoever drinketh of the water that I give him shall never thirst. Indeed the water that I shall give him will become in him a well of water springing up into everlasting life.” John 4:14. Visitation will be on Wednesday, May 28 at Brown’s Memorial Funeral Home from 6:00 - 8:00 in the evening. A family burial will occur Thursday morning at Grove Hill Cemetery in Dallas with Dr. Andrew McQuitty officiating. If desired, memorials may be sent to Coppell-Valley Ranch Young Life, PO Box 217 Coppell, Texas 75019.

Dudley Douglas D D Hardin
(January 2, 1921 - July 18, 2014)

Dudley Douglas (or DD to friends), 93 years of age, passed away on Friday, July 18, 2014 at his home in the Remington in Valley Ranch, Irving, Texas. He was born on January 2, 1921 in Granger, Texas to Roy Storrs Hardin and Tennie Lois Pruitt.

Along with his brother, Roy Henderson Hardin, he had many joyful and memorable boyhood adventures throughout the region. Until recent years, he continued to attend the Jonah reunion where he enjoyed updating friendships more than 80 years strong. Such was his love for central Texas that he owned his own ranch outside of Bartlett, Texas throughout most of his adulthood.

During World War II Dudley served as a radio operator in the South Pacific for the Army Air Corps (the forerunner of the United States Air Force). In addition to cargo and supplies, his crew flew Jack Benny and other dignitaries visiting the troops. One of his crew members, Myrt Vititow of Fort Worth Texas, became not only his best friend but also his brother-in-law, as the two married sisters following the war.

His love of airplanes informed Dudley’s post-war career choices. For almost 40 years, he worked for Braniff Airlines as an aircraft mechanic. A proud employee and teammate, he was one the last dozen crew members present to witness the demise of the airlines in 1982.

Dudley married Martha Glynn Whitfield in 1946 in Fort Worth, Texas, and after their three daughters were grown, had the chance to travel the world together. This past January 1st Dudley and Martha quietly celebrated their 68th anniversary. In addition to Martha, Dudley is survived by his daughters, R Jane Hardin and Mitzi Porter and their families, which includes their son-in-law, Jeff Feigenson; eight beloved grandchildren (Julie Rabel, Russell Rabel, Jennifer Torres, Scott Rabel, Rebecca Young, Mika Hopper, Heather Davis, and Haley Porter); and a lively gaggle of six great-grandchildren that forever gladdened his heart (Lexton Rabel, Jordan Kile, Tyler Rabel, Mayce Rabel, Hannah Gardner and Etta Hopper). He is preceded in death by his eldest daughter, Vickie Ann Rabel.

A visitation will be held at Donnelly's Colonial Funeral Home, 606 W Airport Freeway in Irving, TX from 6-8 PM Monday July 21, 2014. Burial service will be at the Dallas-Fort Worth National Cemetery, 11 AM Tuesday, July 22, 2014. The family will gather in Lane A there.

Ruby Fern Hartman
March 27, 1930 - March 31, 2014

Ruby’s parents emigrated with their two daughters from Denmark to Belgrade, MN in the late 1920’s. Ruby was the first-generation American child born to Miller and Karen Jensen at their home on March 27, 1930. A son was born a few years later.

Ruby grew up on the family dairy farm during the depression but never knew her family or their neighbors were poor, having always had meat and vegetables to eat or trade. Other family members also immigrated to the Belgrade area and there were frequent gatherings of family and friends throughout her happy childhood. Favorite shared memories include riding along with her father while he delivered milk twice a day to the townsfolk by horse and wagon, sleigh rides through the snow in winter and making snow ice cream to celebrate the season. She learned to embroider and sew at her mother’s hand and was proud to have several skirts and dresses to wear even when times were lean.

After high school she moved to the Minneapolis/St. Paul area to attend Beauty School. During this time she and 4 girlfriends lived in a one bedroom apartment in a big Victorian House. They liked to go dancing on the weekends and that’s where she met the buddy of one of her guy-pals. Eugene (Gene) Paul Hartman was pretty good at the Lindy Hop and Fox Trot and so they married on August 27, 1950 and continued dancing for 53 years until his death in August 2003.

They lived in Bloomington, MN for several years and brought three children into their lives, Timothy, Candace and Jennifer. While living on Oakland Avenue they met several families who became life-long friends. Gene worked for Braniff Airlines and transferred to Texas in 1963. Their home in Irving became a gathering place for neighbors of every age. There were many potluck dinners and card parties at their house and Ruby was often asked to make her special potato salad. One neighbor would bring her guitar and sing folk songs. The teenage boys would gather in the garage and figure out how to take engines apart to see how they worked and put them back together again with Gene’s guidance and know-how. When Ruby made brownies from scratch she could always count on the boys to show up, asking if they could have one and then figuring out how to take an entire row out of the pan in one piece. Many of those people continue to live in the neighborhood and support each other to this day.

For the past 15 years Ruby has gathered extensive information on both sides of the family and shared this history with all of the relatives, believing it is important to know the fine people from whom we come. She did not want this information to be lost as each generation slowly passes to the next.

Ruby is survived by her children: Tim and his wife Shelley and their daughters Jennifer and Stephanie; Candace and her children Julian and Elliott; and Jennifer and husband Robert. She is also survived by her brother Paul Jensen and his wife Phyllis as well as many in-laws, cousins, nieces and nephews who have been a big part of her life.

She was preceded in death by her loving husband and best friend of 53 years, Eugene; her parents Miller and Karen Jensen; and sisters Ragna Wolfe and Karna Zlebis.

In lieu of flowers donations may be made to the Crow Lake Cemetery Fund. Crow Lake Church is a little white steepled church on a quiet country road in Belgrade MN and is where her parents are laid to rest. It held a special place in her heart and she has requested her family continue to donate to ensure the upkeep of the grounds. Donations can be sent to her children who will ensure they are forwarded to the Fund.

Visitation will be held at the funeral home from 6-8 pm on Tuesday, April 1, 2014. Funeral services will be held at 11:00 am on Wednesday, April 2, 2014 in the funeral home chapel. Interment will immediately follow at Oak Grove Memorial Gardens, Irving, TX.

IN MEMORY OF
WILLIAM ANDREW
"BILL"
HENDRICKS MD

Obituary for William Hendricks

William (Bill) Andrew Hendricks, M.D., beloved husband and father passed away on December 4, 2014 surrounded by his loving family. He was born on April 30, 1928 at Florence Nightingale Baylor Hospital. He was preceded in death by his father Barnard Andrew Hendricks of Cedar Hill, a forest ecologist in the U.S. Forest Service, and mother Mary Anderson Hendricks of Dallas, both pioneer family Dallas County residents, and his brother Jack Anderson Hendricks. His father was related by marriage to John Neely Bryan, founder of the city of Dallas. Bill is survived by his loving wife of 58 years, Sally Armitage Hendricks, whom he met on a Highland Park United Methodist church bus when the University Dept. was going on a Sunday afternoon picnic; his son William Andrew [Andy] Hendricks, Jr. [Brenda] of Houston, and daughter, Mary Evelyn Wallace [Mike] of Grapevine; grandchildren, William Andrew (Drew) Hendricks, III, Madelyn Anne Hendricks, Alec Eason Wallace, Jamie Elizabeth Wallace, Maggie Glynn Wallace, Asher William Wallace; sisters'-in-law Sue Scott of Farmers Branch & Lucille Armitage of San Antonio, as well as many 1st, 2nd, 3rd cousins, and nieces and nephews.

Bill was raised in New Mexico and Arizona where the family spent the summers in the mountains near Globe, AZ at the Parker Creek Experimental Station. His father was the assistant superintendent at the facility, and his grandfather, John Anderson of Cedar Hill, a carpenter, built all of the chimneys in the 10 homes there along with much of the furniture that the family used. Bill’s last visit there was in 1996, and the house he lived in was still in good condition, even though the station had been closed for many years.

Bill returned to Dallas to finish his high school education graduating in 1946 from North Dallas High School where he was a member of the ROTC rifle team.
He graduated from Southern Methodist University in 1950 with B.S. and B.A. degrees in chemistry and philosophy. His fondest memory there was being a member of “the red tie boys” club of his organic chemistry professor, Dr. Harold Jeskey. Following University, Bill served in Korea as a medical corpsman from 1950-52. He graduated from The University of Texas Medical Branch at Galveston in 1957 where he was a member of the PHI CHI Fraternity. He did his internship at Baylor Hospital and one year of general surgery residency, finishing that 4-year program as Chief Surgery Resident at the V.A. Hospital in Dallas. He and Sally moved to Irving in 1963 where he established his general surgery practice of 32 years at the Irving Community Hospital. He also served on the staff of the Granville Morton Cancer Hospital as well as at St. Paul Hospital and Methodist Hospital, both in Dallas.

One of Bill’s proudest accomplishments was being a short-term (2 weeks) medical missionary with the Christian Medical and Dental Association. He joined the organization in 1957 and was on their board of directors. During twelve mission trips, he performed general surgery in Haiti, Dominican Republic, Honduras, and 1 month each in Liberia and India from 1970-1982. Bill was a devoted Christian and family man who rarely missed any of his children’s activities. He was loved and respected by his friends and patients alike. At the funeral of his father, Barnard, the preacher at Mr. Hendricks’ funeral said Barnard was “truly one of God’s gentlemen” and this certainly is true of Bill. He was a 52-year member of the Kirkwood United Methodist Church, where he loved to sing in the choir, and served in many leadership positions. Bill was a certified Lay Speaker Emeritus in the North Texas Conference of the Methodist Church, and served as Camp Physician for the Texas Christian Ashram.

Bill was a member of the Irving Noon-Day Lions Club for over 50 years where he served as president in 1988, and in the same year marched in his hobo clown outfit at the Lions Club’s International Convention Parade in Denver for over 4 hours! He was their first member to be awarded the Jack Wiech Fellow award for dedicated service to the children of the Texas Lions Camp. He also had great fun in dressing up in his homemade hobo clown outfit and participating in parades with the Lions Club as well as with other civic and community organizations in Irving. He also enjoyed so much his membership in the Irving Art Association and their Tuesday Painters Class, which he faithfully attended every week until his health declined. It was his great pleasure to once have exhibited 52 of his paintings at his personal art show at their facility in the J.C. Park. Bill was also a
charter member of the Irving Heritage Society. In his spare time Bill enjoyed nature and the outdoors, photographing and painting what he saw when traveling the U.S. and the world, and spending time with his family.

Bill’s family would like to express their heartfelt love and appreciation to his wise and excellent caregiver of over four years, LaVista Gossett, as well as their thanks to the staff at the Avanté Rehabilitation Center.

Crash kills two kids in Irving; mom under arrest

by SHON GABLES and TODD UNGER WFAA

Posted on March 31, 2014 at 11:30 AM

IRVING — An Irving woman faces intoxication manslaughter charges after a Saturday night crash that killed two of her children and injured two others.

Irving police said Crystal Suniga, 30, lost control of her sport utility vehicle and slammed into two parked cars across from Gilbert Elementary School in the 1500 block of East Pioneer Drive at around 8 p.m.

Police spokesman James McLellan said Suniga’s two sons — identified by family members as 14-year-old Angel Reyes and 10-year-old Ricardo Hernandez — were dead at the scene.

Police said two other children in the vehicle — Suniga’s 12-year-old daughter and a 16-year-old son — were also injured. The boy was taken to Parkland Memorial Hospital in Dallas for treatment of a serious injury; the girl went to Children’s Medical Center Dallas with a minor injury.

Adan Osuna, his brother Jose and their 11-year-old sister Lizmar witnessed the crash. Adan said the images of one of the deceased still haunts him.

"His body was under the car. I didn’t see his face... I only saw his legs," he said.

Moments earlier, Jose Osuna said he heard tires screeching and then witnessed Suniga's out-of-control SUV jump the curb, flip over, and crash in a neighbor's yard — taking out three cars and a fence along the way.

"It was very loud," Jose said. "Our whole house shook. I thought it was an earthquake or something."

Suniga suffered minor injuries and was hospitalized at Parkland Memorial Hospital in Dallas.

McLellan said Suniga's blood alcohol level tested at 0.18, more than twice the legal limit.

She has been charged with two counts of intoxication manslaughter, two counts of injury to a child and one count of intoxication assault. No bond was set.

Suniga was transferred from the hospital to jail on Sunday evening.

Adan, who lives down the street from Suniga, said she was trying to catch up with her boyfriend with whom she had been fighting.

Suniga's mother declined to speak on camera, but said her daughter wasn't drunk and denied that she had been fighting.

Francisco Garcia saw his sister's car damaged in the crash. He was furious about what happened.

"It pisses me off... drunk driving with kids inside! They're innocent," he said. "They didn't do nothing."

Ricardo Hernandez was a student at Gilbert Elementary School; his brother, Angel Reyes, attended Austin Middle School. Irving ISD officials said grief counselors would be on hand at both campuses on Monday morning.

Christal Ann Higgins
1985 - 2014

Christal Ann Higgins, 28, passed away Monday, April 7, 2014, at a local hospice after a courageous two-year fight with clear cell renal cell carcinoma, leaving many broken-hearted. Funeral: 1 p.m. Saturday at First United Methodist Church. Interment: Greenwood Memorial Park. Visitation: 6 to 8 p.m. Friday at Greenwood. Memorials: In lieu of flowers, the family requests donations be made to the Kidney Cancer Research Group, The University of Texas M.D. Anderson Cancer Center, Box 4486, Houston, Texas 77210-4486. Make checks payable to M.D. Anderson Cancer Center. Please include a note stating that the donation is in memory of Christal Higgins and that the whole donation is to be used for kidney cancer research and not for administrative or overhead costs. "Christal took on kidney cancer with the same tenacity that she tackled life," said her Aunt Sheri. "It won the hearts of anyone who had the privilege to know her." As a young girl, Christal was told by her Great-Aunt Jo she looked like the Princess of Monaco. The petite young woman, who so resembled Grace Kelly, battled the disease with humor, grace and dignity. Her motto was "Be courageous." Christal "Scooter" was born Oct. 2, 1985, in Stephenville, the older of two daughters born to Bennie Higgins and Michelle Carlson. She was given the nickname "Scooter" by her father when she was a baby because she would scoot across the floor in her diaper, not to be deterred from getting to where she wanted to go. After attending Stephenville High, Christal graduated from the University of North Texas in 2009 with a bachelor of arts in communications studies and a minor in counseling. Christal's original major was radio, television and film until an instructor told her she had too much personality. Christal was very animated, probably due to her time in school theater. In 2003, she was voted "Theater Sweetheart" at Stephenville High, and had won UIL (University Interscholastic League) for a pantomime she performed with her friend, Heather Toves. While in college, she joined Alpha Delta Pi (ADPi) sorority and served as director of standards and ethics for a semester. Being part of ADPi was a changing point in her college career. At the time Christal decided to pledge, her grades were so dismal that her Uncle Sean agreed to pay dues as long as she maintained a 3.5 GPA. From this point on she made the Dean's List each semester until her graduation. In 2009, she earned the Ted Colson Award of Excellence in performance studies. Recently, one of her ADPi sisters told how Christal was the one to go to if you needed help in your classes. The past three years Christal worked as a human resource coordinator at Weir SPM in Fort Worth. Despite grappling with the effects of chemo, radiation and exhaustion, Christal would queue up Michael Jackson's "Dirty Diana" while getting ready to go to work. When she lost most of her chestnut locks to radiation treatments, she proudly sported a mohawk, as did many of her co-workers. Christal worked with an amazing group of co-workers who supported her and showered her with understanding and love. Weir is where Christal met the love of her life, Carson So. Little defeated Scooter for long. She loved dressing up and going out with her friends to clubs, parties and concerts. Christal's best friend from birth was her sister, Jordan. They shared a passion for the theater, Disney movies, the Mavericks and Aerosmith (seven concerts at last count). Jordan would buy their Aerosmith tickets often as a birthday gift to her sister, anything where they could be together. When she was invited to present the game ball as a representative of Texas Oncology for the Mavericks' Dec. 3, 2013, game against the Charlotte Bobcats, Jordan was by her side. But their greatest love was travel. Last year, Christal traveled to Poland to meet with Jordan, and the pair then ventured off through England, France, Germany and Disneyland in Paris. It was the adventure of a lifetime. Christal made lifetime friendships with a smile that lit her eyes up and a concern for other people's happiness, she was hard to resist. Jessica, her childhood friend, tells that each time Christal bragged about Jessica being in law school, Jessica's LSAT scores would increase. On Christal's first day at college, she saw a young man sitting on a bench by himself and decided he would be her friend. She sat down next to Matthew Weatherford and from that day on, they were the best of friends. He took her to her first Lady Gaga concert. Heather, her friend from grade school, and her sisters donated to Locks of Love on behalf of Christal. Her list of friends that would come at a moment's notice would fill this page up -- she was truly amazing. Friends. This was her gift to be happy for others, encouraging and considerate no matter what she herself was dealing with. In terms of her illness, her Uncle Sean made sure that she always had someone waiting for her after her radiation treatments. Her sister Jordan was always there for moral support, singing "You've got a friend" from "Toy Story" to keep her spirits up, or joining her on trips across the country in search of alternative treatments. Carson would hide little notes, telling her how wonderful she was. Aunt Sheri would make her home-cooked meals, always assuring her she would win this fight. And when it came to hospital stays, they all rotated, sometimes fighting over who got to stay. The list of people who would send emails, cards or prayers was endless. Christal battled CCRC, which comprises about 65 percent of kidney cancers found. It was estimated she had developed this disease around the age of 16 and was diagnosed when she developed a brain metastasis at the age of 26. Christal found there was not much known about kidney cancer, which frustrated her and her sister, Jordan. They both wanted to raise awareness and help others who will have to battle this disease in the future. Please help
support research on kidney cancer to give others an opportunity for a cure, if not a long progression-free life. Recognition and gratitude to those who kept Christal’s spirits up and cared for her during very difficult times: Monty (her Boston Terrier and longtime companion); Jessica McCurry; Linda Bush and her son, Cody; Lya Thomas; Jeff Sloan; employees of Weir SPM; Molly Lawless; Baylor All Saints Medical Staff; Texas Oncology Staff; VITAS Hospice Staff; and Dr. Stephen Richey. Thank you, Dr. Richey, for giving us these last two years with this amazing young woman. Survivors: Father, Bennie and wife, Carol Higgins; mother, Michelle Carlson; aunt and uncle, Dawn and Steve Nolan, all of Stephenville; sister, Jordan Higgins; boyfriend, Carson So; aunt and uncle, Sheri and Sean Ricketts, all of Fort Worth; and aunt, Brenda Kimmons of South Carolina. Carolyn Ann Hill
December 21, 1940 - January 3, 2014

Carolyn Ann Hill, age 73 of Southlake, TX, passed away on Friday, January 3, 2014 after a two year battle with colon cancer. She was born on December 21, 1940 in Longview, TX to Palmer and Ethel Stephens. Survivors include, Daughter, Misti Jefferson Hale; son, Harold Loyd Hill, Jr.; grandchildren, Derek Kyle Hale, Nicholas Jefferson Bromley, Hunter Logan Hill and Holden Layne Hill. Carolyn, aka, Mountain Dance was a free spirit. She stood up for what she believed and would fearlessly fight to the death for those she loved. Maybe it was her Cherokee Indian blood, but she belonged outdoors. Carolyn only moved back from the mountains to concrete (as she called it) to help with her grandson who had Duchene Muscular Dystrophy. How do you put into words the life of such an incredible lady? She had such a great love for God, people, and adventure. Her life and accomplishments cover the whole spectrum. A woman of God, a Lady in every sense of the word, fly fisherman, artist, author, hairdresser, designer, photographer, mom, grandmother (known as Mica), gunsman, camper, hunter and friend. She will forever be known as one who loved deeply, touched the hearts of many, and lived life to its fullest! Her influence on those she touched will eternally live on.
