Padden, Joann B.

November 4, 1929 - June 22, 2014

Padden, Joann Beasley. Born with a paintbrush in her hand, a keen eye for design and color, and tremendous talent, Joann earned a degree in Fine Arts from Texas Christian University in 1951, and created an immense collection during her lifetime. Throughout her life, she showered love and attention especially on her family and really on everyone who took the time to get to know her. Delightful, funny, and intelligent, she had the kindest, softest heart in the world. She worried over the family pets with love and concern, along with creatures of all kinds and her beloved plants. Born at home in November, 1929 in Lebanon, TN to Albert “Doc” Beasley and Cora Lee Young Beasley, Joann married Michael Padden in Fort Worth in 1951, living in Brazil, Wyoming, and Tennessee among other places before being widowed at the age of 56. Moving back to Texas, her life revolved around her family and her art. Left to mourn her are her daughters, Michelle Maloney, and husband Michael, Tory Padden, Nicole Padden and Joni Padden; her grandchildren Emily Maloney Bickle and husband Morgan, JD Maloney and wife, Christy, Brandon Walston, Katie Walston, Rachel Walston and Michael Padden Clardy and great grandchildren Emerson and Kaspar Bickle.

February 14, 1961 – March 6, 2014

Over the past couple of years, Peter’s favorite scripture became something that he had practiced and held onto during his up and down battle with cancer. The verse reads, “He will keep in perfect peace him whose mind is steadfast, because he trusts in You (Lord).” (Isaiah 26:3) His courage and bravery was a demonstration of this verse. No matter how difficult the journey, he remained hopeful, trusting in the Lord for all things.

Peter Patrick Palmer was born in Manchester, Jamaica on February 14, 1961, a sweet Valentine weighing over 10 pounds! He was the youngest of 13 other siblings, raised in a Christian home.

Peter was determined to make a better life for himself and was diligent in his studies. He was always interested in seeing how things work. He would pull apart electronics and try to put them back together again. His first job was in Jamaica at the telephone company.

He received a scholarship to travel to one of three countries to get his Masters Degree. He chose St. Petersburg, Russia! He spent a year learning the language, and the final five years achieving his masters in Telecommunications Engineering. While there, his son Anton was born.

In 1993 he was offered an engineering position with Nokia World Headquarters in Finland. He traveled to almost every country in the world. About three years later, he was transferred to Nokia’s offices in Sydney, Australia.

Little did he know that when he was relocated to the Irving, Texas office in 1997 – on a temporary assignment – that Texas would become Anton’s and his permanent home. He met his wife, Alainna in December of that year. From the moment they met, they were inseparable! Alainna fell for his amazing physique and his “to die for” Jamaican accent! Peter called her his “Cinderella”.

Their daughter, Emily was born in 1999, and the family bought a house in Frisco. In 2001, they found a church home in Plano where he rededicated his life to Christ. He was actively involved in church, teaching Sunday school for the four to five year old children. The kids adored him! He had a silliness about him that made the kids want to be around him. When word got out that he had an amazing
singing voice, he was quickly recruited on the praise and worship team. Just watching him worship the Lord with such fervor had blessed many people.

One of his favorite quotes learned from his dad was, “Labor for learning before you grow old; for learning is better than silver or gold. Silver and gold will vanish away, but a good education will never decay.” Never tiring of learning, Peter pursued a second Masters Degree in Business in 2005. This year he celebrated his 21st year with Nokia. He would frequently instill in his kids the importance of putting God first in everything, and taking education seriously.

Nothing was more important to him than God and his family. Especially during these last couple of years, his area of focus became even more centered on the importance of family. Anton, the prodigal son, reunited with Peter, Alainna and Emily in January after almost seven years.

Peter was an extraordinary man. When people would come to visit him at home or in the hospital while he was sick, guests would leave feeling encouraged by him sharing how God was at work in his life—about hope, trust and patiently waiting on the Lord. He never gave up hope, and fought to the very end. Last Thursday, March 6th, he went to his permanent home in eternity—face to face with Jesus! What a glorious celebration that must have been in heaven that day.

Reading some of the notes he jotted down during his illness, he wrote and quoted Larry from Veggie Tales, ‘God is bigger than the boogey man...or Philippians 4:7...‘And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus.” He entitled it, “The Truths”.

Peter Patrick Palmer, age 53, of Frisco, Texas passed away on March 6, 2014. A Celebration of Life Service will be held at 2:00 P.M., Saturday, March 15, 2014 at Bent Tree Bible Fellowship 4141 International Parkway, Carrollton, Texas 75007. There will be a reception in his honor following the service.

**Dorothy Bell Pryor**

**August 5, 1918 - October 20, 2014**

Dorothy Bell Bawcum Pryor was born on August 5, 1918 in Dallas, Texas and passed away in Coppell, Texas on October 20, 2014 at the age of 96 years. She is predeceased in death by her husband Leonard M. Pryor; granddaughter Brenda Tate; son-in-law Coy E. Tate. At the age of 19 she married Leonard M. Pryor and that union lasted for 55 wonderful years. She lived most of her life in Irving and it was there she raised her family and tended to her grandchildren. Dorothy was a loving daughter, sister, wife, mother and grandmother and her family was the center of her life. Her parents Amanda and James Bawcum raised 8 children and Dorothy was the baby girl, she was a small one weighing only 2 lbs. at birth. Being so small she couldn’t pick cotton with the rest of her brothers and sisters so they would drag her along behind them on the cotton sacks. When she went to school her brother Riley would tote her on his back for 3 miles each way. As a young girl her first job was to put tax stamps on whisky bottles. Her happiest days were when she was cooking large meals and serving anyone that stopped by. Dorothy especially liked the holidays, she always cooked from scratch making sure there was lots of turkey, ham and dressing, sometimes staying up at night to get it all just right. Anyone that knew her knew she loved chocolate! Dorothy liked to read the newspaper everyday to keep up with current events and collected articles about Irving and
filling several scrap books up. Survivors include sons, Leonard R; (Buddy) Pryor and wife Sandra, Gerald W. Pryor and wife Martha; daughter Carolyn L. Tate; grandchildren, Anthony (Tony) Pryor and wife Jean, Tami Pryor Parks, Lauren Pryor-Puckett, Kelly G. Tate and wife Betty, Timothy W.
