Helen Hwa Jung Wen
February 9, 1935 - April 4, 2014
Michael Meng Kao Wen
February 19, 1932 - April 2, 2014

Michael M.K. Wen and Helen H.J. Wen of Plano, Texas, passed away on April 2, 2014 and April 4, 2014, respectively. At the time of their deaths, they had been married for 58 years.

Michael was born on February 19, 1932 in Nanking, China, to Ling Wen and Lan Tee Wu. Helen was born on February 9, 1935 in Ohwon Village, Tainan Hsien, Taiwan, to Yuan Hsin Wu and Lee Chen Yun Wu.

Michael graduated from National Cheng-Kung University in Taiwan with a Bachelors of Science in Mechanical Engineering in 1953. From 1953 until 1963, he worked as a design and quality-assurance engineer first for Taiwan Shipbuilding Company and later for Air Asia. In 1963, he arrived in the United States to begin studies towards a Masters in Mechanical Engineering at the University of Rhode Island. He earned his M.S. in 1965, after which he worked as a senior engineer and manager at Colt Industries and Loup Allis-Beloit Power Systems in Beloit, Wisconsin. His wife Helen and sons, Tony and Ted, joined him in Beloit in 1967. In 1976, Michael received his Ph.D. in Mechanical Engineering from the University of Wisconsin-Madison. In 1980, he began working for Westinghouse Electric Corporation/TECO as Senior Engineer in Round Rock, Texas, until his retirement in 1998. He was a renowned expert in stress and vibration analysis consulted by companies in Belgium, Germany and China, and helped to design motors for naval submarines and naval and civilian ships. To his family, his greatest accomplishment was his devoted caretaking of his wife during their final two years together after Helen fell ill.

Helen graduated from National University of Tainan in 1953 as a teacher and taught at Ohwon Village elementary school. In 1972, she earned an LVN degree at Beloit Community College and worked in a physician's office. She continued her training and earned a B.S. in Health Professions from Southwest Texas State University while working as a cardiology nurse at Seton Hospital in Austin, Texas. In 1992, she earned a Masters of Arts in Human Services from St. Edward's University at the age of 57. After concluding her nursing career in a hospital setting, she transitioned to caring for employees at Motorola Company in Austin, Texas and Raytheon in McKinney, Texas, until her retirement in 1998. Helen was well-loved by her former students and patients, some of whom still correspond with her. Concurrent with furthering her education and profession, Helen was a devoted wife who utilized her training to care for Michael's wellbeing. She devoted the last few years of her life as a tireless community and civic activist and this likely contributed to her failing health.

Michael and Helen were devoted parents to their two sons, Tony and Ted, and to their daughters-in-law, Lonnie and Elizabeth, and they were equally devoted to their grandchildren, Nicole, Michael and Alexandra, all of whom survive them. Michael is also survived by his sister Laura Wen. Helen is survived by her siblings Sunyu Wu; Helo Wu; Jerry and Jenny Wu; Kate and Ruey Wang; Kristin and Yasu Chen; Terri and Richard Yu; Windsor and Jenny Wu; and their respective children.

A joint memorial service for both of them will be held at Ted Dickey West Funeral Home on Friday, April 11, 2014, at 4:00 p.m..

Zolon A. Wilkins, Sr., age 93, peacefully passed away on April 1, 2014 surrounded by his loving family. Zolon was born on April 13, 1920 near Lexington, TN to Connie Gleason and Effie Wilkins. He married the love of his life, Edna Brown, who grew up in the same area of Tennessee as he did, near Lexington. They worked hard together and created a beautiful family and a life that was filled with hard work, love and joy. They would have celebrated 67 years of marriage on December 26, 2014. Zolon’s resilience, inner toughness, fortitude and successful work ethic are a source of inspiration for his family and to everyone that knew him. He founded an aluminum awning company in Jackson, Tennessee and then moved that company to Dallas in 1950. A driven entrepreneur with high energy, Zolon built a 7-unit motel called Zolon’s Courts in Grand Prairie along with several apartment complexes in the DFW area. His partner in the business as well as in life, Edna, worked side by side with Zolon – serving as housekeeper and bookkeeper (as well as raising three growing boys) while Zolon ran the awning shop and continued to think about how to improve and grow the business. In 1961, Mr. Wilkins founded Lexington Apartments and Motor Inns and then in 1982 founded Lexington Hotel Suites—an extended-stay, all-suite concept which the family owned, providing construction, development and hotel management services to over 50 properties in several states from Tennessee to California. Additionally, Zolon authored several successful patents and trademarks (e.g. “A day or a lifetime”, “Home away from home”, “A suite for the price of a room”) which have subsequently been sold to others. In 1990, Zolon co-founded and became an investor in Lexington Services Corporation. The company had over 1,000 employees with not outside equity investors and became the largest third-party representation and reservations provider in the US and the second largest in the world—representing more than 4,000 hotel properties in 70 countries. Zolon thoroughly enjoyed ranching, especially his horses and Black Angus, and owned ranches (Wilkins and Sons) with farms in both Tennessee and Texas. Mr. Wilkins was extremely successful in business but was a shy man—he never wanted publicity. He deeply loved his family and generously supported his church and community, donating several homes to a church in Bear Creek, Irving and providing many student scholarships while also contributing to the Irving Community Hospital, Dallas Baptist University along with donating the Zolon A. Wilkins Family Chapel at Baylor Healthcare Hospital. He never forgot his Tennessee roots and provided financial support to several churches as well as the Parsons Community Hospital located in Parsons, Tennessee. Both Zolon and Edna were recognized by the honorable Senator Jennings Randolph who awarded them honorary degrees from the University of Hard Knocks in West Virginia on June 4, 1983. Zolon proudly served his country as a Navy Seabee for three years during World War II, receiving an honorable discharge in 1946. He was a member of the Irving Masonic Lodge #1218 for 70 years along with being an active member in the Scottish Rite and Shriner’s. An Irving resident since 1963, he and Edna are faithful members of the First Baptist Church in Irving. Zolon is preceded in death by his parents and brothers Clois and James Wilkins. Mr. Wilkins is survived by his wife Edna, their three sons; Zolon, Jr. and his wife Lou Ann; Ric and his wife Janet and Michael and his wife Fern; eight grandchildren Z Ill, Trevor, Melanie, Tiffany, Shawna, Sara, Brian and Lauren; six great-grandchildren Zoe, Zolon IV, Cooper, Isabella, Abigail and Sophia; numerous cousins, nieces, nephews and many, many friends. A funeral service will be held at 2:00 PM on Friday, April 4, 2014 in the First Baptist Church of Irving Chapel with internment immediately following at Oak Grove Memorial Gardens. Withrow, Lucille

April 24, 1923 - March 26, 2014

Where do I begin? I have been so blessed over my many years to have had such wonderful friends, fun family memories and good health.

As many of you may know, in my early twenties, fresh off the family farm in Kentucky, I fell madly in love with my husband of 44 years, John Withrow. We married after a short three-month courtship and headed for Springfield, Missouri. This great city was where we had our two daughters, Shirley and Sheryl. Shirley is now married to Jeff Brandt and they live in Albuquerque, NM and Sheryl is married to Gary Pickle and they live in Euless, Texas. Sheryl gave me my only grandson, Justin Drury, and he and his wife Tami live in Florida. They blessed me with one great-grandson Devin who is 5 years old and all smiles.

During my ‘professional’ career I worked as a secretary in insurance on the Plaza in Kansas City for many years. Then I made the leap into the real estate market and became a Realtor for about 15 years. This became a great family of many friends for me. Great ladies such as Pat Tice, also became our card friends, that seemed to have lasted for a life time. We had poker and bridge parties almost every weekend at one house or another. Neighbors were included in this circle of friends such as Bernie and Bob McCarthy, Dorothy and Stan Pruitt, Bill and Shirley Hawkins, Mariam and Joe – boy the list could go on and on.

I spent these past 10 years in Texas. It was in 2004 that I left my home in Prairie Village after 52 years to be near my daughter Sheryl. Figured it was time I took advantage of a little ‘care giving’ from her, besides I was tired of the cold Kansas winters! Had a wonderful time in Texas, met more great friends that were just as good at bridge as any I had ever played with, Annabel, Desi and Dee.

I would have to say that the vacation trips and cruises to Hawaii were some of the best memories. God has really made some magnificent places, hasn’t he? Trust me, I will now have the time to enjoy all the rest.

Well, that was probably the fastest trip I have ever been on, the past 90 years. Time really goes fast when you are having fun. Remember to enjoy each day and most of all your family. Take in all that God has to give and enjoy the ride.

Remember to send the family condolences and sign the guest book on this site.
