Biennial Report for small Unmanned Aircraft Systems

January 1, 2021 - December 31, 2022

Prepared by Officer Tony Chelette, Quality Control, UAS Coordinator.

This document satisfies the reporting requirements as listed in Texas Government Code Sec. 423.008, relating to reporting of unmanned aircraft systems operations by Texas law enforcement agencies. All Irving sUAS pilots hold current FAA Remote Pilot Certificates. The sUAS program uses unmanned aircraft to accomplish the public safety mission by supporting patrol functions, traffic control assistance, critical incidents for the protection of human life and property.

The attached table contains the required information, as logged and entered by each Irving Police Department sUAS pilot. Data is from all 2021 – 2022 Irving PD law enforcement sUAS operations, followed by the total cost of acquiring, maintaining, repairing, an operating or otherwise using each unmanned aircraft for the preceding 24 months.

The Irving Police Department sUAS unit completed 179 Criminal flights, 209 Non-Criminal/Training flights for a total of 388 flights during this reporting period.
