INFORMATION RELEASE

Shooting Investigation

Irving, Texas – March 1, 2019 – The Irving Police Department is investigating a shooting that occurred at 5:54 a.m. in the 1900 block of Senter Road. Officers responded to a residence after receiving multiple calls to 911 reporting gunfire in the area. It was reported to officers that there was a man in the street suffering from a gunshot wound. The man told officers that two suspects broke into his house and he exchanged gunfire with one of them. One suspect was still inside the house and the other one ran away.

Officers found the suspect inside the house suffering from a gunshot wound. Both injured subjects were taken by ambulance to Parkland Hospital for treatment. Their injuries are not expected to be life-threatening.

Detectives have arrived on scene and are conducting a preliminary investigation into the identity of the suspects and the motive for the break-in. The scene is secure but Senter Road remains closed between Vilbig Street and Oakdale Road for the time being.
