INFORMATION RELEASE

Aggravated Sexual Assault of Child / Arrest

Irving, Texas – May 3, 2019 – The Irving Police Department has arrested Syed Humzah Hashmi, a security guard at the Islamic Center of Irving, pursuant to a warrant for Aggravated Sexual Assault of a Child. This charge stems from a recent outcry from a child who stated the behavior took place at the Islamic center over the past few years. The investigation is still on-going, but the police department believes the suspect was acting on his own and at this time only one victim has been identified.

The Irving Police Department is encouraging parents to speak with their children about the dangers of inappropriate contact. Any parent who feels their child may have had an inappropriate interaction with the suspect can call the Irving Police Department.
