

City of Irving Job Description

Inspector

FLSA Status:	Non-Exempt	Job Department:	Inspections
Job Code:	05562	Reports To (Job Title):	Designated Chief Inspector

PURPOSE

Support the city Strategic Plan “Speed-to-Market” and “Safety in the Built Environment” actions by: accurately inspecting (on or before the requested day) a variety of buildings for compliance with various codes and ordinances related to assigned industry/functional area; maintaining detailed records of inspections; and providing information to the public, contractors, architects, and engineers.

ESSENTIAL DUTIES AND RESPONSIBILITIES

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily.*

- *Depending on assignment*, conduct either building, electrical, or mechanical inspections; also, conduct Certificate of Occupancy inspections within functional area.
- Respond to questions and complaints from the public, City staff, contractors, and architects regarding code and inspections issues.
- Maintain accurate written records of inspections made and complaints investigated, including tracking the number and type of inspections.
- Communicate technical information to technically and/or linguistically challenged customers in person and on the telephone.
- Study code and ordinance changes, attend educational seminars and confer with other inspectors to stay current with construction trends and inspection procedural innovations.
- Prepare and presents cases about dangerous structures to the Building and Standards Commission.
- Monitor private third party lab reports related to inspections.
- Represent the City in job site meetings with construction personnel and owners to offer technical advice.
- Research information pertaining to new and unusual building materials to ensure compliance with the City ordinances.

OTHER DUTIES AND RESPONSIBILITIES

- Perform related duties as assigned.

SUPERVISORY RESPONSIBILITIES

Functional and Technical Supervision - Regular responsibility for giving direction and guidance to employees as a lead worker, project manager or internal advisor. As an ongoing part of the position, the employee can expect to supervise approximately 5 employees.

FINANCIAL / BUDGETARY RESPONSIBILITY

Two-way radio, automobile, cell phone, city-wide computers and software, copier, fax machine, phone system, printers, and a digital camera.

PHYSICAL DEMANDS

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job.*

The employee constantly is required to listen and see. Frequently, s/he is required to balance, carry, climb, drive a vehicle, lift up to 10 pounds, sit, stand, talk, and/or walk. Occasionally, s/he is required to crawl, kneel, pull, push, smell, and/or stoop. In rare instances, s/he must run. Specific vision abilities required by this job include close vision, distance vision, color vision, and peripheral vision.

WORK ENVIRONMENT

The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job.*

The employee is constantly exposed to a confining work space, dirty environment, electrical hazards, extreme temperatures or weather conditions, air contamination, high precarious work places, improper illumination, moving mechanical parts, toxic or caustic materials and stress. Rarely, s/he may be exposed to violence. The noise level in the work environment usually is moderate. This job requires the employee to make decisions directly affecting the safety of others.

* Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Note: A class specification is a general listing of duties, responsibilities, knowledge, skills, and abilities required of an incumbent assigned to a particular class of work. There may be one or multiple positions assigned to a single classification; therefore, the class specification lists those work attributes that are common to every incumbent in the class.
