

City of Irving Job Description

Building Inspector

FLSA Status:	Non-Exempt	Job Department:	Inspections
Job Code:	N612	Reports To (Job Title):	Inspections Supervisor

PURPOSE

Support the city Strategic Plan “Speed-to-Market” and “Safety in the Built Environment” actions by: accurately inspecting (on or before the requested day) a variety of buildings for compliance with building codes and other ordinances; maintaining detailed records of inspections; and providing information to the public, contractors, architects, and engineers.

ESSENTIAL DUTIES AND RESPONSIBILITIES

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily.*

- Conduct building and Certificate of Occupancy inspections.
- Respond to questions and complaints from the public, City staff, contractors, and architects regarding code and inspections issues.
- Maintain accurate written records of inspections made and complaints investigated, including tracking the number and type of inspections.
- Communicate technical information to technically and/or linguistically challenged customers in person and on the telephone.
- Study code and ordinance changes, attend educational seminars and confer with other inspectors to stay current with construction trends and inspection procedural innovations.
- Prepare and present cases about dangerous structures to the Building and Standards Commission.
- Monitor private third party lab reports related to inspections.
- Represent the City in job site meetings with construction personnel and owners to offer technical advice.
- Research information pertaining to new and unusual building materials to ensure compliance with the City ordinances.

OTHER DUTIES AND RESPONSIBILITIES

- None Reported.

SUPERVISORY RESPONSIBILITIES

Functional and Technical Supervision - Regular responsibility for giving direction and guidance to employees as a lead worker, project manager or internal advisor. As an ongoing part of the position, the employee can expect to supervise approximately 5 employees.

FINANCIAL / BUDGETARY RESPONSIBILITY

None

QUALIFICATIONS:

The requirements listed below are representative of the knowledge, skill, and/or ability required.*

EDUCATION

- Equivalent to the completion of 12th grade *plus* some related college or vocational training.

EXPERIENCE

- Two (2) years of related experience.

CERTIFICATES, LICENSES, REGISTRATIONS

- Appropriate valid Texas driver's license.
- International Building Code Certification.
- International Residential Code Certification.
- International Energy Conservation Code Certification.

KNOWLEDGE OF

- **Field Inspections:** Techniques and principles involved in plan review of precision technical plans, blueprints, drawings, and models. Perform field inspections to assure compliance with said codes.
- **Codes:** In depth comprehension of the international building, residential, and energy codes, local, state and federal laws regarding construction and permitting, and procedures for bringing and keeping properties into compliance with City applicable property codes.
- **Creative Problem Solving:** Within the parameters of code and ordinance requirements, seek alternative solutions. Instruct and explain to customers how to achieve their desired end result.
- **Customer Service:** Principles and processes for providing customer and personal services including a desire to help customers regardless of their circumstance.
- **Record Keeping:** Principles and practices for collection and recording of information for use in report presentations, open records, data recovery, and plan retrieval.

SKILLS AND ABILITIES IN

- **Technical Comprehension:** Reading and interpreting blueprints documents, specifications, and details.
- **Organizational Strategies:** Tracking multiple variables by sorting, grouping, and calendaring.
- **Prioritization:** Selecting, from multiple options, activities to achieve a goal.
- **Complex Problem Solving:** Identifying problems and reviewing related information to develop and evaluate options and implement solutions.
- **Critical Thinking:** Using logic and analysis to identify the strengths and weaknesses of different approaches.
- **Written and Oral Expression:** Communicating information and ideas in writing, as well as through speech, so others will understand, such as completing reports according to pre-set formats.
- **Composure under Duress:** Remaining composed and making sound decisions during stressful or sensitive circumstances.
