- Self-Management: Working independently and without supervision.
- Sequencing: Correctly following a given rule or set of rules to arrange things or actions.

GUIDANCE RECEIVED

Periodic Supervision and Range of Guidelines/Procedures

Follows periodic direct instructions and guidelines, policies and procedures that require some interpretation. Problems that cannot be addressed through an existing guideline, policy or procedure are referred to supervisor or more senior position. Position incumbent must exercise judgment about when to escalate issues.

CONTACTS

May have contact with city residents and other department staff.

EQUIPMENT AND PROPERTY

Uses a wide variety of heavy equipment and tools, particularly the gradall, front-end loader, track hoe, low boy and track dozer.

PHYSICAL DEMANDS

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job.*

The employee constantly is required to operate heavy equipment and drive a vehicle, grasp, handle, feel, lift up to 100 pounds, listen, pull, push, reach, see, sit, smell, and/or stoop. Frequently, s/he is required to balance, climb, kneel, talk, and/or walk. Occasionally, s/he is required to crawl, run, and/or stand.

WORK ENVIRONMENT

The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job.*

The employee is exposed to extreme vibration, blood-borne pathogens, confining workspace, hazardous and dirty environment, electrical hazards, extreme temperatures or weather conditions, air contamination, high and precarious work places, improper illumination, moving mechanical parts, noise, hazardous traffic conditions, and/or toxic or caustic materials. This job requires her/him to make decisions directly affecting the safety of others. The noise level in the work environment is usually excessively loud.

* Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Note: A class specification is a general listing of duties, responsibilities, knowledge, skills, and abilities required of an incumbent assigned to a particular class of work. There may be one or multiple positions assigned to a single classification; therefore, the class specification lists those work attributes that are common to every incumbent in the class.
