The Housing and Redevelopment Division receives federal funding that are available to qualifying families in Irving. Families must qualify under Housing and Urban Development (HUD) income guidelines.

Who Can Apply?
- Are you a U.S. citizen?
- Have you owned a home for the last three years?
- Is your home your primary residence?
- Does your home need repair with:
  - Air Conditioning
  - Heating System
  - Electrical
  - Roofing
  - Plumbing
  - Paint

Programs
- Emergency Repair Program
  Assists homeowners with emergency repairs that occurred without warning (within two weeks), require immediate action and are detrimental to life, health or safety.
- Air Conditioner Repair and Replacement Program
  Provides assistance with air conditioner or heating issues.
- Homeowner Accessibility Program
  Designed to address the removal of structural barriers related to mobility and health for seniors and the disabled. This includes ramp construction, doorway widening and bathroom retrofit with ADA-compliant fixtures. Available to seniors and homeowners with disabilities.
- Exterior Improvement Program
  Assists homeowners who have been given notices of violation from Code Enforcement but do not have the financial resources to address the code violations.
- Major Repair Program
  Assists homeowners with repair needs for some or all of the home’s major systems, depending on need and/or available funding. Not designed as a complete home renovation program.
