GUIDANCE RECEIVED

Detailed Instructions and Standardized Procedures

Follows standard procedures and/or detailed instructions that apply to each task or assignment; situations that cannot be handled under standard operating procedures are referred to a supervisor or more senior position.

CONTACTS

This position interacts with residents, visitors, businesses/vendors, and other departments.

EQUIPMENT AND PROPERTY

Depending on assignment, equipment will include a variety of pneumatic hydraulic and electric hand tools varying of size and function, as well as, a combination of the following: various power tools, hand held tools, jack hammer, a concrete saw, hand tools, shovel, post hole digger, chain saw, pole saw, string line trimmer, hedge trimmer, surface grinder, cutting torch, wire feed welder, paint truck, mma machine, thermoplastic machine, and road markings removal equipment.

Also, some use may be made of a computer and software.

PHYSICAL DEMANDS

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job.*

The employee constantly is required to balance, climb, crawl, lift up to 25 pounds, grasp, handle, feel, listen, see, smell, reach, stand, stoop, talk, and/or walk. Frequently, s/he is required to balance, carry, lift up to 50 pounds, push, pull, sit, and/or drive a vehicle. S/he occasionally is required to climb, kneel, and, *if assigned to Street Operations*, lift more than 100 pounds. Rarely, s/he is required to crawl or run.

WORK ENVIRONMENT

The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job.*

The employee regularly is exposed to extreme vibration, blood-borne pathogens, confining workspace, dirty environment, electrical hazards, extreme temperatures or weather conditions, air contamination, improper illumination, moving mechanical parts, noise, hazardous traffic conditions, and/or toxic or caustic materials. This job requires the employee to make decisions directly affecting the safety of others. The noise level in the work environment is usually moderate to loud.

* Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Note: A class specification is a general listing of duties, responsibilities, knowledge, skills, and abilities required of an incumbent assigned to a particular class of work. There may be one or multiple positions assigned to a single classification; therefore, the class specification lists those work attributes that are common to every incumbent in the class.
