

Irving Police Department

INFORMATION RELEASE

Man with a gun – Austin Middle School

UPDATE: Irving, Texas – September 20, 2019 – The Irving Police Department has concluded the investigation into whom was seen in the parking lot of 825 E. Union Bower Rd (Austin Middle School) with a gun. As we continued to follow up on all possible investigative leads into this possible threat, we have discovered that the male of interest is actually a law enforcement officer. The officer was part of an outside agency task force that was serving a warrant on a nearby street and they staged their vehicles in the parking lot of the school.

We want to inform everyone that there was never a threat to Austin Middle School. The task force did apprehend their wanted person for a warrant out of Louisiana. There is no threat to the public or Irving School Campuses. We are appreciative of the parent that called in, and continue to remind people “if you see something, say something”.
