Organizational priorities and policies, along with professional standards and best practices, guide decisions and direction or advice given to others. Typically makes recommendations to superiors after considering various alternatives. Proactively addresses needed changes to policies, methods and procedures and obtains approval.

## **CONTACTS**

Internally, this position will engage with City staff at all levels of the organization regarding complex material. As necessary, it may present to (members of) the Executive Team, or, as requested, the Council. This position frequently engages with the Mayor, City Council and City Manager directly.

Externally, this position has frequent public and media contact, clearly representing the total organization as a whole. Additionally, it has a high frequency of outside contact with highly varied groups that may involve difficult interactions requiring persuasion and negotiations. This position works directly with other elected officials and agency leaders from the local, state, federal levels and private sector representing the city and conducting negotiations on behalf of the City Manager's Office.

## **EQUIPMENT AND PROPERTY**

This position utilizes standard office equipment, which will include a computer/laptop.

## **PHYSICAL DEMANDS**

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job.\*

The employee is constantly required to balance, carry, climb, drive a vehicle, grasp, lift up to 10 pounds, listen, push or pull, reach, see, sit, stand, stoop, talk, and walk. Occasionally, s/he is required to lift up to 25 pounds and kneel.

## **WORK ENVIRONMENT**

The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job.\*

The employee is constantly exposed to stress. Most work takes place in a typical office environment, where the noise level usually is moderate; however, site visits and off-site meetings will require some variation in work environment, exposure to allergens and different climates, as well as, varying noise levels. This job requires the employee to perform duties or make decisions directly affecting the safety of others.

\* Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

**Note:** A class specification is a general listing of duties, responsibilities, knowledge, skills, and abilities required of an incumbent assigned to a particular class of work. There may be one or multiple positions assigned to a single classification; therefore, the class specification lists those work attributes that are common to every incumbent in the class.
