

Getting started with OverDrive/Libby

Kindle eReaders

These instructions apply to Kindle, Kindle Paperwhite, and Kindle Oasis

In OverDrive

1. Visit the OverDrive digital collection through the web or app
 - a. Sign in using your Library card number and PIN.
2. Search for title you wish to Borrow. You can see all Kindle Books by selecting the Kindle Books link near the top of the site (or under **Menu icon** on mobile devices)
3. Once found Select **Borrow**.
4. After you borrow the title, select Read now with Kindle.
5. You'll be taken to Amazon's website to finish getting the ebook.
 - a. If you're signed into your Amazon account, verify the "Deliver to:" device and select **Get Library Book**.
 - b. If you're not signed into your Amazon account, select **Get Library Book**, and sign in.

In Libby

1. Visit the Libby digital collection through the web or app
 - a. Sign in using your Library card number and PIN
2. Search for title you wish to Borrow.
3. Once found Select **Borrow**.
4. Tap **Read With...**
5. Tap **Kindle**.
6. You'll be taken to Amazon's website to finish getting the ebook.
 - a. If you're signed into your Amazon account, verify the "Deliver to:" device and select **Get Library Book**.
 - b. If you're not signed into your Amazon account, select **Get Library Book**, and sign in.

Note: Your Kindle ereader needs a Wi-Fi connection to download library Kindle Books from Amazon. If you don't have a Wi-Fi connection, you'll need to [transfer the title via USB](#) through the Amazon web site.
