

What we can support members with:

HEALTH/MEDICAL

- ∞ Navigating different levels of transition within healthcare.
- ∞ Improving communication between caregivers and physicians.
- ∞ Finding resources that specialize in pediatric care needs (home health, behavioral health programs, skilled facilities, hospice, educational care, etc.).
- ∞ Finding providers that accommodate adult care needs (home health, rehab, skilled facilities, hospice, assisted living, etc.).

CAREGIVERS/FAMILY

- ∞ Providing guidance on how to start difficult conversations with family members (changes in family dynamics, emotional support, etc.).
- ∞ Accessing an online support platform for secure document storage and easy communication between family members and Care Coaches.
- ∞ Improving peace of mind by offering objective support that makes difficult care decisions less emotional.

FINANCIAL/LEGAL

- ∞ Understanding the costs associated with care and how to prepare for them.
- ∞ Walking through legal documents needed for care and referring to legal experts when necessary.
- ∞ Reviewing policies and educating members about how health and personal care are paid for (Medicare, Medicaid, VA, Insurance, Long Term Care Insurance, CHIP, etc.).
