TIPS

- To browse LinkedIn Learning's contents, tap the **Topics** tab.
- LinkedIn Learning has three major content areas to explore: Business, Creative, and Technology.
- Tap a **content area**, and then tap a **topic, software, or Learning Path**.
- LinkedIn Learning will show you all the classes that apply. To start a class, tap a **class title**.
- You can navigate the tutorial using the **Contents** menu. Tap a lesson to autoplay, or tap the download icon to save a lesson to your device. When you finish a video, an orange dot will appear beside its title.
- The **Overview** tab contains a course description and any related files, including certificates and exercises. Tap a file to download it to your device.
- To see an overview of your courses, tap the **My Learning** tab. Here you can see the courses in progress, those you have saved, and the skills you have developed.
- To access your settings, tap your **profile** and then tap the **gear** icon.
