Meeting Summary

Item #1: Meeting began at 6 pm. Fourteen (14) neighborhood residents were in attendance. Planning staff in attendance were Kevin Kass, Jocelyn Murphy, Kenneth Bloom, Troy Wynne and Sabas Martinez. Also joining the meeting was Irving Hispanic Chamber of Commerce President/CEO Mary Ann Kellam.

Item #2: Traffic and Transportation Director Dan Vedral provided an overview of conditions in the neighborhood he noted during a recent driving tour of the neighborhood with Planning Manager Kevin Kass. These related to general condition of streets and sidewalks, street lighting and on-street parking, all issues raised during recent meetings of the committee. He then took note of specific areas of concern raised during the discussion portion of his presentation and acknowledged that he and his staff would investigate those and provide a response.

Item #3: Kevin Kass presented an overview of the recent successful neighborhood outreach event held at La Michocana Grocery Store on Saturday, February 25, in which over eighty (80) neighborhood surveys were completed. Mary Ann Kellam and the Irving Hispanic Chamber were recognized for their essential role in making the event a tremendous success. Several committee members who also participated in the event were likewise recognized and thanked.

Item #4: Due to time constraints this item was postponed until the next meeting date.

Item #5: Kevin Kass then provided a quick overview of the general timeline moving forward and noted that this will be further discussed at the next committee meeting.

Item #6: Committee members noted their appreciation for Dan Vedral’s attendance at the meeting, noting how meaningful his presentation and discussion was for those in attendance.

Item #7: Next committee meeting was set for Thursday evening, April 13, 2023, same location.

Item #6: Meeting adjourned around 7:05 pm.
