

With the involvement and enthusiasm of people like you, recycling can have a huge impact on environmental sustainability. Recycling has a huge, positive effect on our environment, our quality of life and our children's future. It allows every individual to do their part as we continue on our mission toward environmental sustainability.

Recycling Pledge:

I pledge to find out what materials I can and cannot recycle in my community.

I pledge to take an active role in educating my neighbors about the benefits of recycling.

I pledge to lead by example in my neighborhood by recycling.

I pledge to tell people in my neighborhood and community that recycling is the easiest thing they can do to help promote environmental sustainability.
