Description

The file contains a CD-ROM of information on the Gilbert family. It also contains photographs of headstones of Gilbert and Price family members. Also included in the file is a page on which the donor summarizes his research on the history of the Gilbert family. Dr. D. W. Gilbert came to the area in the 1870s and made his home in the Sowers community. In 1904, shortly after the founding of Irving, he moved his medical practice to Irving. He had several sons who became physicians in the area. One of whom, Dr. F. M. Gilbert, practiced medicine for many decades in Irving, as did his two sons.
