Producer:

Donor: Philip G. Pope

Date Received: May 10, 2004

Literary Rights Statement:

Permission to publish from the collection must be obtained from the Irving Archives, Irving Public Library.

Description

The file contains a research paper titled "A Landmark Decision: How Texas Stadium Provided Irving with an Identity." The paper was written by a graduate student at the University of Texas at Arlington during the spring semester of 2004. The paper discusses Irving's anonymity as a suburb until Texas Stadium opened and gave the city a point of national recognition, thus helping to spur business growth, and independence from the larger surrounding cities.
