Description

The file contains five color, picture postcards of scenes from Storybook Land. Storybook Land was a 10-acre theme park of miniature displays based on children's fairy tales. The file also contains a \$100 bill of Cowboy Town currency. Cowboy Town was a theme park based on the American West. Both parks were located just east of the intersection of State Highway 183 and County Line Road. Storybook Land opened in 1956. Cowboy Town opened shortly after Storybook Land. Both were closed by the early 1960s.
