Description

The file contains two publications. The first is a 24-page booklet written by Dr. Irene Stayer about her and her husband's trip to Leopoldville, Congo, in African in 1963. The trip was taken to see if the couple, both of whom were doctors, would move there for two years of medical missionary work. The second is the first edition of the Irving Chamber of Commerce publication *The Irving Advantage*, 1984. The magazine contains articles and photos promoting various aspects of life in Irving; such as the school system, the arts, transportation, the library system, and the Las Colinas development.
