Description

The file contains the passenger copy of a Braniff Airways ticket and baggage check coupon for a flight from Wichita Falls, Texas, to Dallas, Texas, on September 10, 1949. The cost of the flight including tax was \$8.34. The file also contains the Braniff envelope in which the ticket was placed. A Braniff route map and a list of the cities served by the airline are printed on the envelope. Also in the file are four tokens from the Dallas Railway & Terminal Company. The tokens are good for one fare in the city. The Dallas Railway & Terminal Company was Dallas's largest bus and street car system. It began operation in 1917. It ceased its streetcar operation in 1956.
