Description

The file contains a letters from Ledbetter family members to the City of Irving in which they suggest that the name of Ledbetter Road not be changed during the development of the Valley Ranch community in northern Irving. The Ledbetter family owned land in the area from 1914 until they sold it to developers in 1980. The road that ran along their property was named Ledbetter Road. During the building of the Valley Ranch development the old road was going to become part of a new thoroughfare and renamed.
