### **Description**

The file contains an envelope addressed to Breckinridge, Dallas County. Breckenridge was a small settlement in northeast Dallas County, about 10 miles northeast of downtown Dallas. It was settled during the 1850s and prospered for a time. In 1873, the railroad came through a few miles north at Richardson. The post office and most of the businesses at Breckinridge moved to Richardson and the settlement faded away.
