### Estelle Community Bear Creek Baptist Church

The Bear Creek Baptist Church was established in 1853 along Bear Creek. The building was later moved a short distance to the area of the Estelle community. It remained in the community until the property was purchased for the construction of DFW Airport during the 1960s. This is a photo of the church from 1895. Today the congregation exists as the First Baptist Church-Las Colinas.

In 1953, the Bear Creek Baptist Church celebrated its 100th anniversary.

Members of the Bear Creek Baptist Church celebrate the church's 100th anniversary in 1953.
